

## QUALIFICATIONS FOR ALL ADJUNCT FACULTY POSITIONS

- **All Adjunct Faculty should hold a degree at least one level above that of the program in which they are teaching, and those teaching general education courses typically hold a master's degree or higher and should have completed substantial graduate coursework in the discipline of those courses.**
- **Adjunct Faculty members whose assignments are primarily in the technical areas should evidence competency based on:**
  - **A)** Formal education appropriate to the specialization, usually including the bachelor's or master's degrees or their equivalent as demonstrated by expertise, licensure, or certification
  - **B)** Have practical experience other than teaching in the appropriate specialization, as demonstrated by full-time employment for approximately five years in the career area, or a related field
  - **C)** Show evidence of professional development in the field of concentration as demonstrated by activity in professional associations, consultative practice, participation in seminars, workshops, and formal course work, and individual reading and research.
