

## **Position Announcement**

**Position:** Critical Care Clinical Instructor

**Department:** Respiratory Care

**Location:** Various Locations

**Status:** Part-time

**Projected Start Date:** ASAP

**Summary:** Southern State Community College is currently seeking part-time respiratory therapy clinical instructors for Spring and Summer Quarter 2010. On a part-time basis in assigned area hospitals to supervise, instruct and evaluate students in a clinical setting. Clinical rotation will be from 7:00am-3:00pm Tuesdays, Thursdays and/or Fridays from May 3<sup>rd</sup> through July 9<sup>th</sup> 2010.

### **Duties / Supervision:**

- Supervise, demonstrate and teach student therapists proper patient care according to established standards in a clinical setting.
- Evaluate, report and record student performance and progress according to college and respiratory program guidelines.
- Learn the computer program DataArc and be able to assist students.
- Provide an environment conducive to learning all aspects of Respiratory Care
- Communicate with the Director of Clinical Education on a weekly basis
- Conduct clinical skills evaluations with students
- Responsible for at least 4 students

### **Knowledge, Skills, and Abilities:**

- Represent the College in a positive manner with prospective, former, and current students, staff and the community.
- Organize and present various curriculum concepts to a wide range of students with varying backgrounds and abilities and adjust teaching techniques accordingly.
- Present oneself in the clinical setting in a manner that is acceptable and consistent with program and College guidelines, policies, and practices.

- Assume responsibility; deal effectively with problems, and exercise sound judgment when making decisions.
- Possess strong human relations skills and ability to effectively relate to diverse personalities.
- Be a creative, energetic and self-motivated individual.
- Possess a working knowledge of respiratory equipment, especially in the critical care setting.

**Qualifications:** Instructor must be a Registered Respiratory Therapist with at least 3 years experience in an intensive care unit. Previous experience as a clinical instructor or preceptor is preferred.

**Salary Range:** Based on Experience

**Benefits:** None

**Relocation:** Not offered
