

Technology Committee Meeting

The Technology Committee met on Wednesday, September 16, 2009 in room 400. Those present: Dennis Griffith, Julie Basham, Louis Mays, Cathy Zile, Jeff Montgomery, Rhonda Fannin, Joy Gilmore, Jennifer Mattachione, Elizabeth Burkhard, Nicole Rodes, Brenda Tilton and Kristi Hall, Dennis called the meeting to order. Jennifer is a new faculty member in respiratory therapy.

Distance Learning Directors of Ohio Group – Julie Basham.

Louis referred information about this group to Julie. This is a state initiative from the Ohio Learning Network. Julie asked for a volunteer to serve on this group. It is important that our college be represented at the state level. There is an upcoming state conference called the Ohio Educational Technology Conference in early February at the Columbus Convention Center. More information about this conference can be found at: <http://www.etech.ohio.gov/conference/>.

Atomic Learning

Julie Rayburn from Atomic Learning provided an online demo of the new AL platform and 21st Century Skills service.

Committee Assignments

We have three committees, Policy, TPIC and Distance Learning. If you wish to serve on any of these committees, please let Dennis know.

The meeting was adjourned at 2:00 p.m.
