Your insurance is effective on the latest of:

Ceasing Active Work terminates your eligibility. However, it may be possible to continue all or part of your insurance during a temporary layoff, leave of absence or military leave; or while you are unable to work due to sickness or injury. The conditions concerning such a continuance may be found in the Policy. See your Employer for this information.

## **DEATH BENEFIT**

Upon receipt of satisfactory proof of your death, the Company will pay a death benefit equal to the amount of Personal Life Insurance in effect on the date of your death. The benefit will be paid in accord with the Beneficiary section. Arrangements may be made to have this death benefit paid in installments.

## **BENEFICIARY**

Your Beneficiary is the person or persons named on your enrollment card. The Beneficiary may be changed in accord with the terms of the Policy. If you have not named a Beneficiary, or if no named Beneficiary is living when you die; then the death benefit will be paid to your:

- (4) surviving brothers and sisters in equal shares; or, if none
- (5) estate, or in accord with the Facility of Payment section of the Policy.

## EXTENSION OF DEATH BENEFIT IF YOU BECOME TOTALLY DISABLED

Your life insurance will be continued, **without payment of premiums**, if:

- (1) you become Totally Disabled while insured and before reaching age 60;
- (2) you remain Totally Disabled for at least 6 months in a row; and
- (3) you submit satisfactory proof within the 7th through 12th months of disability; or:
  - (a) as soon as reasonably possible after that; but
  - (b) not later than the 24th month of disability, unless you were legally incapacitated.

**PREMIUM PAYMENT.** Premium payments must continue until you are approved for this benefit, or the Policy terminates, if earlier. Upon receipt of satisfactory proof, the Company will refund up to 12 months' premium paid for your life insurance, from your 1st day of Total Disability.

**DEFINITION.** For this benefit, Total Disability or Totally Disabled means you:

- (1) are unable, due to sickness or injury, to engage in any employment or occupation for which you are or become qualified by reason of education, training, or experience; and
- (2) are not engaging in any gainful employment or occupation.

**AMOUNT CONTINUED.** The amount of Personal Life Insurance and any Dependent Life Insurance continued will be subject to the reductions and terminations in effect under the Policy on the day your Total Disability begins. Any Accidental Death and Dismemberment Benefit will not be continued.

**ADDITIONAL PROOF.** From time to time, you must submit proof that your Total Disability is continuing. Proof will be at your expense; unless the Company requests to have you examined by a Physician of its choice. If you die after submitting proof, further proof must be submitted to the Company showing that you remained continuously and Totally Disabled until death. If you die within 12 months after Total Disability begins, but before submitting proof; then your death benefit will still be paid under the terms of the Policy. But the Company must first receive satisfactory proof of your continuous Total Disability, from your last day of Active Work until your date of death.

**TERMINATION.** Any life insurance continued under this section will terminate automatically on:

- (1) the day you cease to be Totally Disabled;
- (2) the day you fail to take a required medical examination;
- (3) the 60th day after the Company mails a request for additional proof, if it is not given;
- (4) the effective date of your individual conversion policy, with respect to any amount of life insurance converted in accord with the Conversion Privilege section; or
- (5) the day you reach Social Security Normal Retirement Age (SSNRA), as shown in the Schedule of Insurance (whichever occurs first).

If your Total Disability ends, and you **do not return** to a class eligible for Policy coverage; then you may exercise the Conversion Privilege. If your Total Disability ends, and you **do return** to an eligible class; then your Policy coverage will resume when premium payments are resumed, and any conversion policy is surrendered as provided in the Policy.

## ACCELERATED DEATH BENEFIT

**BENEFIT.** The Accelerated Death Benefit is an advance payment of part of your Personal Life Insurance. It may be paid to you, in a lump sum, once during your lifetime.

To qualify, you must:

- (1) have satisfied the Active Work requirement under the Policy;
- (2) have been insured under the Policy:
  - (a) on the date of an injury which results in a Terminal condition; or
  - (b) for 30 days before being diagnosed Terminal as a result of sickness; and
- (3) have at least \$2,000 of Personal Life Insurance under the Policy on the day before the Accelerated Death Benefit is paid.

Receiving the Accelerated Death Benefit will reduce the Remaining Life Insurance and the Death Benefit payable at death, as shown on the next page.

"Claimant," as used in this section, means the Terminal Insured Person for whom the Accelerated Death Benefit is requested.

"Terminal" means you have a medical condition which is expected to result in death within 12 months, despite appropriate medical treatment.

**APPLYING FOR THE BENEFIT.** To withdraw the Accelerated Death Benefit, you (or your legal representative) must send the Company:

- (1) written election of the Accelerated Death Benefit, on forms supplied by the Company; and
- (2) satisfactory proof that the Claimant is Terminal, including a Physician's written statement.

The Company reserves the right to decide whether such proof is satisfactory.

Before paying an Accelerated Death Benefit, the Company must also receive the written consent of any irrevocable beneficiary, assignee or bankruptcy court with an interest in the benefit. (See Limitations 3, 4, and 5.)

**NOTE: THIS IS NOT A LONG-TERM CARE POLICY. RECEIVING THIS ACCELERATED DEATH BENEFIT WILL REDUCE THE BENEFIT PAYABLE AT DEATH. ANY AMOUNT WITHDRAWN MAY BE TAXABLE INCOME, SO YOU SHOULD CONSULT A TAX ADVISOR BEFORE APPLYING FOR THIS BENEFIT.**

**AMOUNT OF THE BENEFIT.** You may elect to withdraw an Accelerated Death Benefit in any \$1,000 increment; subject to:

- (1) a minimum of \$1,000 or 10% of the Claimant's amount of Life Insurance (whichever is greater); and
- (2) a maximum of \$250,000 or 75% of the Claimant's amount of Life Insurance (whichever is less).

To determine the Accelerated Death Benefit, the Company will use the lesser of A or B below:

- A. the Claimant's amount of Life Insurance which is in force on the day before the Accelerated Death Benefit is paid; or
- B. the Claimant's amount of Life Insurance which would be in force 12 months after that date; if the coverage is scheduled to reduce, due to age, within 12 months after the Accelerated Death Benefit is paid.

ADMINISTRATIVE CHARGE: NONE

WITHDRAWAL FEE: NONE

EFFECT ON AMOUNT OF LIFE INSURANCE. "Remaining Life Insurance" means the amount of Life Insurance which remains in force on the Claimant's life after an Accelerated Death Benefit is paid. The Remaining Life Insurance will equal:

- (1) the Claimant's amount of Life Insurance which was used to determine the Accelerated Death Benefit (A or B above); minus
- (2) any percentage by which the Claimant's coverage is scheduled to reduce, due to age; if the reduction occurs more than 12 months after the Accelerated Death Benefit is paid, and while he or she is still living; minus
- (3) the amount of the Accelerated Death Benefit withdrawn.

PREMIUM: There is no additional charge for this benefit. Continuation of the Remaining Life Insurance will be subject to timely payment of the premium for the reduced amount; unless you qualify for waiver of premium under the Policy's Extension of Death Benefit provision, if included.

CONDITIONS. If the Claimant exercises the Conversion Privilege after an Accelerated Death Benefit is paid, the amount of the conversion policy will not exceed the amount of his or her Remaining Life Insurance. If the Claimant has Accidental Death and Dismemberment benefits under the Policy, the Principal Sum will not be affected by the payment of an Accelerated Death Benefit.

EFFECT ON DEATH BENEFIT. When the Claimant dies after an Accelerated Death Benefit is paid, the amount of Remaining Life Insurance in force on the date of death will be paid as a Death Benefit. Your Death Benefit will be paid in accord with the Beneficiary section of the Policy. If the Claimant dies after application for an Accelerated Death Benefit has been made, but before the Company has made payment; then the request will be void and no Accelerated Death Benefit will be paid. The amount of Life Insurance in force on the date of death will be paid in accord with Policy provisions.

EFFECT ON TAXES AND GOVERNMENT BENEFITS. Any Accelerated Death Benefit amount withdrawn may be taxable income to you. Receipt of the Accelerated Death Benefit may also affect the Claimant's eligibility for Medicaid, Supplemental Security Income and other government benefits. The Claimant should consult his or her own tax and legal advisor before applying for an Accelerated Death Benefit. The Company is not responsible for any tax owed or government benefit denied, as a result of the Accelerated Death Benefit payment.

LIMITATIONS. No Accelerated Death Benefit will be paid:

- (1) if any required premium is due and unpaid;
- (2) on any conversion policy purchased in accord with the Conversion Privilege;
- (3) without the written approval of the bankruptcy court, if you have filed for bankruptcy;
- (4) without the written consent of the beneficiary, if you have named an irrevocable beneficiary;
- (5) without the written consent of the assignee, if you have assigned your rights under the Policy;
- (6) if any part of the Life Insurance must be paid to your child, spouse or former spouse; pursuant to a legal separation agreement, divorce decree, child support order or other court order;
- (7) if the Claimant is Terminal due to a suicide attempt, while sane or insane; or due to an intentionally self-inflicted injury;
- (8) if a government agency requires you or the Claimant to use the Accelerated Death Benefit to apply for, receive or continue a government benefit or entitlement; or
- (9) if an Accelerated Death Benefit has been previously paid for the Claimant under the Policy.

## CONVERSION PRIVILEGE

If your insurance or insurance on a Dependent terminates for any reason except:

- (1) termination or amendment of the Policy; or
- (2) your request for:
  - (a) termination of insurance; or
  - (b) cancellation of your payroll deduction,

an individual life policy, known as a conversion policy, may be purchased without evidence of insurability.

To purchase a conversion policy, application and payment of the first premium must be made within 31 days after the life insurance is terminated.

The conversion policy will:

- (1) be in an amount not to exceed the amount of life insurance which was terminated;
- (2) be on any form (except term) then issued by the Company at the age and amount for which application is made;
- (3) be issued at the person's age at nearest birthday;
- (4) be issued without disability or other supplemental benefits; and
- (5) require premiums based on the class of risk to which the person then belongs.

A conversion policy also may be purchased if:

- (1) all or part of your insurance or insurance on a Dependent terminates due to amendment or termination of the Policy; and
- (2) the person applying for the conversion policy has been covered continuously under the Policy for at least 5 years.

The amount of the conversion policy may not exceed the lesser of:

- (1) \$10,000; or
- (2) the amount of life insurance which terminates, less the amount of any group life insurance for which the person becomes eligible within 31 days after the termination.

The conversion policy will take effect on the later of:

- (1) its date of issue; or
- (2) 31 days after the date the insurance terminated.

If death occurs during the 31 day conversion period, the Company will pay the life insurance which could have been converted even if no one applied for the conversion policy.

When your insurance terminates, written notice of your right to convert will be given to you.

If written notice is not given to you at least 15 days before the end of the 31 day conversion period, an additional period in which to convert will be granted. Any such extension of the conversion period will expire on the earliest of:

- (1) 15 days after you are given the written notice; or
- (2) 60 days after the end of the 31 day conversion period, even if you are never given such notice.

No death benefit will be payable under the Policy after the 31 day conversion period has expired even though the right to convert may be extended.

- (2) 105 days after receiving the first proof of a claim for any Extension of Death Benefit, Living Benefit or Accelerated Death Benefit available under the Policy.

If the Company fails to do so; then there is a right to an immediate review, as if the claim was denied.

**Exception:** If the Company needs more information from the claimant to process a claim; then it must be supplied within 45 days after the Company requests it. The resulting delay will not count towards the above time limits for claim processing.

**REVIEW PROCEDURE.** The claimant may request a claim review, within:

- (1) 60 days after receiving a denial notice of a death or dismemberment claim; or
- (2) 180 days after receiving a denial notice of a claim for any Extension of Death Benefit, Living Benefit or Accelerated Death Benefit available under the Policy.

To request a review, the claimant must send the Company a written request, and any written comments or other items to support the claim. The claimant may review certain non-privileged information relating to the request for review.

**Notice of Decision.** The Company will review the claim and send the claimant a written notice of its decision. The notice will explain the reasons for the Company's decision, under the terms of the Policy and any internal guidelines. If the Company upholds the denial of all or part of the claim; then the notice will also describe:

- (1) any further appeal procedures available under the Policy;
- (2) the right to access relevant claim information; and
- (3) the right to request a state insurance department review, or to bring legal action.

For a death or dismemberment claim, the notice will be sent within 60 days after the Company receives the request for review; or within 120 days, if a special case requires more time. For a claim for any Extension of Death Benefit, Living Benefit or Accelerated Death Benefit available under the Policy, the notice will be sent within 45 days after the Company receives the request for review; or within 90 days, if a special case requires more time.

## **CLAIMS PROCEDURES (Continued)**

**Delay Notice.** If the Company needs more time to process an appeal, in a special case; then it will send the claimant a written delay notice, by the 30<sup>th</sup> day after receiving the request for review. The notice will explain:

- (1) the special circumstances which require the delay;
- (2) whether more information is needed to review the claim; and
- (3) when a decision can be expected.

**Exception:** If the Company needs more information from the claimant to process an appeal; then it must be supplied within 45 days after the Company requests it. The resulting delay will not count towards the above time limits for appeal processing.

**Claims Subject to ERISA** (Employee Retirement Income Security Act of 1974). Before bringing a civil legal action under the federal labor law known as ERISA, an employee benefit plan participant or beneficiary must exhaust available administrative remedies. Under the Policy, the claimant must first seek two administrative reviews of the adverse claim decision, in accord with this section. If an ERISA claimant brings legal action under Section 502(a) of ERISA after the required reviews; then the Company will waive any right to assert that he or she failed to exhaust administrative remedies.

**RIGHT OF RECOVERY.** If benefits have been overpaid on any claim; then full reimbursement to the Company is required within 60 days. If reimbursement is not made; then the Company has the right to:

- (1) reduce future benefits until full reimbursement is made; and
- (2) recover such overpayments from you, or from your Beneficiary or estate.

Such reimbursement is required whether the overpayment is due to fraud, the Company's error in processing a claim, or any other reason.

**LEGAL ACTIONS.** No legal action to recover any benefits may be brought until 60 days after the required written proof of claim has been given. No such legal action may be brought more than five years after the date written proof of claim is required.

**COMPANY'S DISCRETIONARY AUTHORITY.** Except for the functions that the Policy clearly reserves to the Group Policyholder or Employer, the Company has the authority to:

- (1) manage the Policy and administer claims under it; and
- (2) interpret the provisions and resolve questions arising under the Policy.

The Company's authority includes (but is not limited to) the right to:

- (1) establish and enforce procedures for administering the Policy and claims under it;
- (2) determine your eligibility for insurance and entitlement to benefits;
- (3) determine what information the Company reasonably requires to make such decisions; and
- (4) resolve all matters when a claim review is requested.

Any decision the Company makes, in the exercise of its authority, shall be conclusive and binding; subject to your or your Beneficiary's rights to:

- (1) request a state insurance department review; or
- (2) bring legal action.

**NOTICE:** A person is guilty of insurance fraud, if he or she submits an application or files a claim containing a false or deceptive statement:

- (1) with intent to defraud an insurance company; or
- (2) knowing that he or she is aiding a fraud against an insurance company.

CERTIFICATE AMENDMENT

TO BE ATTACHED TO THE CERTIFICATE FOR GROUP POLICY NO.: 000860051343

ISSUED TO: Southern State Community College

Your Certificate is amended by the addition of the following provisions.

**PRIOR INSURANCE CREDIT UPON TRANSFER OF  
LIFE INSURANCE CARRIERS**

This provision prevents loss of life insurance coverage for you, which could otherwise occur solely because of a transfer of insurance carriers. The Policy will provide the following Prior Insurance Credit, when it replaces a prior plan.

"Prior Plan" means a prior carrier's group life insurance policy, which the Policy replaced within 1 day of the prior plan's termination date.

**FAILURE TO SATISFY ACTIVE WORK RULE.** Subject to payment of premiums, the Policy will provide life coverage if you:

- (1) were insured under the prior plan on its termination date;
- (2) were otherwise eligible under the Policy; but were not Actively-At-Work due to Injury or Sickness on its Effective Date;
- (3) are not entitled to any extension of life insurance under the prior plan; and
- (4) are not Totally Disabled (as defined in the Extension of Death Benefit section of the Policy) on the date the Policy takes effect.

**AMOUNT OF LIFE INSURANCE.** Until you satisfy the Policy's Active Work rule, the amount of your group life insurance under the Policy will not exceed the amount for which you were insured under the prior plan on its termination date.

This Amendment takes effect on your effective date of coverage under the Policy. In all other respects, your Certificate remains the same.

**NOTICE CONCERNING COVERAGE LIMITATIONS AND EXCLUSIONS UNDER THE OHIO LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION ACT**

Residents of Ohio who purchase life insurance, annuities or health insurance should know that the insurance companies licensed in this state to write these types of insurance are members of the Ohio Life and Health Insurance Guaranty Association. The purpose of this association is to assure that policyholders will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this should happen, the guaranty association will assess its other member insurance companies for the money to pay the claims of insured persons who live in this state (and, in some cases, to keep coverage in force). The valuable extra protection provided by these insurers through the guaranty association is not unlimited, however. And, as noted below, this protection is not a substitute for consumers' care in selecting companies that are well-managed and financially stable.

**The Ohio Life and Health Insurance Guaranty Association may not provide coverage for this policy. If coverage is provided, it may be subject to substantial limitations or exclusions, and require continued residency in Ohio. You should not rely on coverage by the Ohio Life and Health Insurance Guaranty Association in selecting an insurance company or in selecting an insurance policy.**

**Coverage is NOT provided for your policy or any portion of it that is not guaranteed by the insurer, or for which you have assumed the risk (such as a variable contract sold by prospectus). You should check with your insurance company representative to determine if you are only covered in part or not covered at all.**

**Insurance companies or their agents are required by law to give or send you this notice. However, insurance companies and their agents are prohibited by law from using the existence of the guaranty association to induce you to purchase any kind of insurance policy.**

Columbus, Ohio 43220**

**Ohio Department of Insurance  
2100 Stella Court  
Columbus, Ohio 43266-9566**

The state law that provides for this safety-net coverage is called the Ohio Life and Health Insurance Guaranty Association Act. Following is a brief summary of this law's coverages, exclusions and limits. This summary does not cover all provisions of the law; nor does it in any way change anyone's rights or obligations under the act, or the rights or obligations of the guaranty association.

**COVERAGE.** Generally, individuals will be protected by the life and health insurance guaranty association if they live in Ohio and hold a life or health insurance contract, annuity contract, unallocated annuity contract (or are insured under a group insurance contract) issued by a member insurer. The beneficiaries, payees or assignees of insured persons are protected as well, even if they live in another state.

**EXCLUSIONS FROM COVERAGE.** However, persons holding such policies are not protected by this association if:

- they are eligible for protection under the laws of another state (this may occur when the insolvent insurer was incorporated in another state, whose guaranty association protects insureds who live outside that state);
- the insurer was not authorized to do business in that state;
- their policy was issued by a medical, health or dental care corporation; a HMO; a fraternal benefit society; a mutual protective association or similar plan in which the policyholder is subject to future assessments; or by an insurance exchange.

The association also does not provide coverage for:

- any policy or portion of a policy which is not guaranteed by the insurer, or for which the individual has assumed the risk (such as a variable contract sold by prospectus);
- any policy of reinsurance (unless an assumption certificate was issued);
- interest rate yields that exceed an average rate;
- dividends;
- credits given in connection with the administration of a policy by a group contractholder;
- employers' plans to the extent they are self-funded (that is, not insured by an insurance company, even if an insurance company administers them).

**LIMITS ON AMOUNT OF COVERAGE.** The act also limits the amount the association is obligated to pay out. The association cannot pay more than what the insurance company would owe under a policy or contract. Also, for any one insured life, the association will pay a maximum of \$300,000 - no matter how many policies and contracts there were with the same company, even if they provided different types of coverages. Within this overall \$300,000 limit, the association will not pay more than \$100,000 in cash surrender values, \$100,000 in health insurance benefits, \$100,000 in present value of annuities, or \$300,000 in life insurance death benefits - again, no matter how many policies and contracts there were with the same company, and no matter how many different types of coverages.

**NOTE TO BENEFIT PLAN TRUSTEES** or other holders of unallocated annuities (GICs, DACs, etc.) covered by the act: For unallocated annuities that fund governmental retirement plans under 401(k), 403(b) or 457 of the Internal Revenue Code, the limit is \$100,000 in present value of annuity benefits (including net cash surrender and net cash withdrawal) per participating individual. In no event shall the association be liable to spend more than \$300,000 in the aggregate per individual. For covered unallocated annuities that fund other plans, a special limit of \$1,000,000 applies to each contractholder, regardless of the number of contracts held with the same company or number of persons covered. In all cases, of course, the contract limits also apply.
