SSCC's Associate Degree Nursing program graduates 40

Forty graduates of Southern State Community College's Associate Degree Nursing program were recognized during a recent pinning ceremony at the college's Central Campus in Hillsboro.

Graduate Diana Smith opened the evening ceremony with a recitation of the nurse's prayer, which was followed by the welcome and introductions by graduate Jessica Clutter.

"We're proud—and grateful—for the career field you have chosen," said Dr. Kevin Boys, SSCC President, who welcomed the guests and congratulated the students on their accomplishments in the nursing program.

Dr. Julianne Krebs, director of Southern State's nursing program, introduced the college's nursing faculty and staff. "Join us in the excitement and joy as we celebrate the passage of these graduates into the nursing practice," said Dr. Krebs.

Following the welcome and introductions, the Jacobson Memorial Scholarship Award was presented. In 2000, a scholarship was established to honor JoAnne Jacobson, who taught for the college's nursing program from

1986-96. The Jacobson Memorial Scholarship Award is presented to a nursing student during the ADN pinning by members of the Jacobson family. First-level nursing student Sydney Cornwell was awarded this year's scholarship.

During the pinning of graduates, friends and family members of nursing students were welcomed to join their loved ones on stage and present the graduates with the Associate Degree Nursing graduate pins.

Graduate Mitch McManis led the lighting of the candle while the ADN graduates recited the Florence Nightingale Pledge. Closing remarks were delivered by graduate Ryan Battista-Pride.
