SSCC announces honors lists for fall semester

Southern State Community College has released its President's List and Dean's List for academic excellence for Fall Semester 20/21. To be eligible for the President's List, a student must maintain a 4.0 grade point average while carrying a specific number of academic credit hours. Those who achieve the Dean's List are full-time students who have earned at least a 3.5 grade point average out of a possible 4.0.

Southern State Community College offers associate degree programs, certificate programs, bachelor degree completion through on-site partnership agreements, adult basic literacy courses, and workforce training programs. With three campus locations -- Brown County Campus in Mt. Orab, Central Campus in Hillsboro, and Fayette Campus in Washington Court House -- Southern State Community College provides close-to-home convenience and a supportive community experience. We also offer classes at Laurel Oaks and Wilmington College in Clinton County.

Delivering on its mission to provide an affordable, accessible, high-quality education, Southern State provides flexible scheduling with day, evening, online and hybrid courses, and a tuition rate that is one of the lowest in the state.
