

Fall Semester scholarship application opens on February 1 at Southern State

Students enrolled, or planning to enroll, at Southern State Community College for Fall Semester, which begins in August, can benefit from various financial resources to help offset the cost of a college education.

In addition to the different kinds of financial aid available through federal and state programs, Southern State offers a variety of Trustee and Foundation scholarships. We give away nearly 100 scholarships each year. One of them could be yours!

Scholarships are available to both transfer students and those intending to pursue a degree leading to immediate employment. Students enrolled in the College Credit Plus program are not eligible.

To apply, visit <https://southernstate.awardspring.com> or call our Financial Aid Department at 800.628.7722, Ext. 2515 to learn more. Students only need to complete one scholarship application, which could qualify them for multiple awards.

The Fall Semester 2023 application deadline is Friday, March 31, 2023.
