

Southern State to hold youth summer program June 24-27

Southern State Community College is excited to announce Kids Career Encounter, a Summer Enrichment Program taking place June 24-27, 2024.

Designed to foster creativity, learning, and personal growth, Kids Career Encounter offers students the chance to learn about different career pathways. Each session will be filled with fun activities that relate to one or more of Southern State's academic programs.

The course lineup at Central Campus, 100 Hobart Drive, in Hillsboro will include:

- **Health Sciences:** June 24 from 8:30 – 11:30 a.m. for ages 9-13 and 1-4 p.m. for ages 14-17. *Students will discuss the roles of nurses, medical assistants, and phlebotomists and their importance to families, communities, and healthcare systems. Students will learn best practices for helping parents, grandparents, ill or injured family members, as well as young children in their families. Students will build their own first aid kits and learn basic first aid.*
- **Biology:** June 25 from 8:30 – 11:30 a.m. for ages 9-13 and 1-4 p.m. for ages 14-17. *This session will examine science as a process to understand basic biological concepts. Students will examine current biological research and how that impacts their lives and the future.*
- **Education:** June 26 from 8:30 – 11:30 a.m. for ages 9-13 and 1-4 p.m. for ages 14-17. *During this session, students will create their own story. They will write, illustrate, and act out the story. Students will take a brief break and end with an escape room challenge.*
- **Math:** June 27 from 8:30 – 11:30 a.m. for ages 9-13 and 1-4 p.m. for ages 14-17. *In this engaging session, students will delve into the world of statistics through the lens of everyone's favorite colorful treat: M&M's! As the students explore various statistical concepts, they will uncover the importance of critical thinking and scrutiny, especially when statistics are used in the workplace.*

The course lineup at Brown County Campus, 351 Brooks-Malott Road, in Mt. Orab will include:

- **Math:** June 24 from 8:30 – 11:30 a.m. for ages 9-13 and 1-4 p.m. for ages 14-17.
