

6/3/2021

In order to address the continuing educational needs of its nursing students, Southern State Community College ("SSCC") enters into an agreement with Mount Carmel College of Nursing ("MCCN") and its partner, iDesignEDU, LLC ("iDesign").

MCCN is committed to creating the most cost-effective and flexible RN to BSN degree in Ohio, while delivering the highest quality nursing education backed by CCNE accreditation. The revamped version of the online RN to BSN program will launch in January 2021 and allow for nurses to complete their bachelor's degree in as little as twelve months.

With this agreement, MCCN will offer a preferred tuition rate to graduates from SSCC who are admitted to the program, at a rate of \$8,000 for the core nursing curriculum courses (30 total credit hours for a rate of \$266.67/credit hour). The preferred tuition rate will also be extended to family members of SSCC employees who hold a valid nursing license and are admitted to the RN to BSN program. This partnership underscores SSCC's commitment to the professional growth and development of its nursing graduates and is a benefit to all employees.

SSCC will take no part in the application or admissions process for the RN to BSN program, which will solely be the domain of MCCN. Additionally, SSCC will not be party to the financial or academic relationship between an admitted or enrolled student and MCCN regardless of whether that person is an SSCC graduate or family member of an employee. The affiliation agreement simply extends the opportunity for a preferred tuition rate to SSCC graduates or family members of employees.

To facilitate access to, and interest in, MCCN's revamped RN to BSN program, SSCC agrees to designate a staff member to act as program coordinator to communicate this new partnership internally to staff members via email and in-person announcements. In addition, this program coordinator will help facilitate quarterly in-person or digital interactions, where MCCN representatives can meet prospective students face to face to share information and answer questions.

Upon confirmation of internal communication of the program and partnership, graduates and family members of employees will have access to the preferred tuition rate. The term of this agreement shall be for one (1) year and shall automatically renew for a period of one (1) year, and

may be terminated by either party, with or without cause, upon sixty (60) days prior written notice. Termination of this agreement will not affect the admission status of currently enrolled students.
