IST 2000 Networking Essentials I	3
Elective	4
Elective	3
Elective	3
Elective	3
IST 2010 Comp. & Networking Essentials II	3
Elective	3
TOTAL: 60	

NOTE: All college-level courses that students at Southern State complete with a 2.0 gpa or above, up to 85 credit hours, will transfer to Ohio Christian University and count toward graduation credit for a B.A. or B.S. degree in the College of Adult & Graduate Studies. Students who complete the Ohio Transfer Module will have met all the requirements for Ohio Christian's General Education Core, with the exception of Old Testament Literature and New Testament Literature in the College of Adult & Graduate Studies. Students from Southern State, however, will need to take courses equivalent to MAT 1500 pre-calculus and MAT 2100 discrete mathematics at Southern State or take them once they get to OCU because they are pre-requisites to several IT courses at OCU.
