

Eligibility for Clinical Placement Information

Applicants to Health Sciences programs should be aware that fingerprinting and/or criminal background checks will be required by health care agencies before allowing admission to clinical facilities for required clinical practice, and will be required before taking State Licensure Examinations. A past felony or misdemeanor conviction may disqualify him/her from taking the State Licensure Exam. See the appropriate program information packet for more information. (Note: * = Absolute Bar)

If you have been convicted of, pled guilty to, had a judicial finding of guilt for, or had a judicial finding of eligibility for treatment and/or intervention in lieu of conviction for, or are currently under indictment for any of the following offenses, you may be ineligible for clinical placement and, therefore, unable to complete the program.
