ADMISSION CRITERIA FOR NURSING PROGRAM

Admission to Nursing requires the following minimum requirements, which must be completed prior to application. Completion of minimum requirements does not guarantee admission.

- Accepted SCC student
 - High school graduate or GED recipient
 - Completed nursing application and responsibility form
 - Prerequisite courses with a grade of C or higher (C- is not acceptable). Knowledge of prerequisite content is expected. If taken more than 5 years ago, it is strongly recommended that course be repeated.
- **CHEMISTRY (must meet at least one criteria)**
 - High school chemistry
 - CHEM 1120, Introduction to Chemistry
 - CHEM 120 and 122
 - Higher level college chemistry course

- **BIOLOGY (must meet at least one criteria)**

 - MATH 117, Elementary Algebra
 - Higher level college math course
- **Pre-entrance testing**
 - HESI Admission Assessment (A2) Exam with an average score of 75% or higher in Math and Reading Comprehension within 24 months of application. The scores of all categories will be considered during the ranking process.

SUBMISSION OF NURSING APPLICATION

The following items must be submitted **together** in one packet for an application to be considered “complete”. Please compile the required documentation in the order below and paper clip the contents.

Application packets must be mailed or hand delivered to the Nursing Office on the Central Campus in Hillsboro, room 316. Faxed or scanned packets will not be accepted. Incomplete applications will not be considered.

Please note that even if these items have already been sent to SSCC, the student must still include all documents in their Nursing application packet.

- Nursing Application and Responsibility Form (available online at www.sscc.edu during application period)
- Proof of acceptance to Southern State (**one** of the following: acceptance letter, course listing, or copy of student ID)
- Official high school transcript verifying graduation or GED certificate
 - High school seniors must submit a current transcript along with a letter of support from their high school administrator verifying their upcoming graduation. If accepted, an official final high school transcript must be sent **to the nursing department** by July 1st.
- SSCC course listing – if SSCC courses or transfer credit are used to meet prerequisite requirements
 - Log into “MySSCC-My Records”. Click on “Student”, then “My course information”, select “view unofficial transcript”, scroll to bottom of transcript and click on “**unofficial transcript PDF**” and print - **this is the only printout that will be accepted.**
 - Transfer coursework must be evaluated by SSCC and posted to SSCC transcript prior to nursing application to be counted towards prerequisites
- Copy of HESI A2 Exam report showing an average score of 75% or higher in in Math and Reading Comprehension (Math score + reading comprehension score ÷ 2 = average score).

The content of this packet will reflect ongoing improvement and support of student outcomes. You may also access current requirements at <http://www.sscc.edu/academics/associate/nursing.shtml>.

NOTE: A past felony or misdemeanor conviction may disqualify a student from completing the clinical/practicum requirements of a Health Science program and therefore, would not be able to complete the associated course and/or program. Also, the student may be prohibited from taking a state licensure/certification exam.
