

Academic Programs

Academic Programs

All students working toward an associate degree must register for one of the programs listed in this section.

Two-year general studies or pre-baccalaureate programs lead to the Associate of Arts or Associate of Science degree. Two-year technical education curricula lead to either the Associate in Applied Science, the Associate in Applied Business, or Associate of Technical Studies.

General Studies Programs Developmental Courses

Developmental courses are taken in addition to any degree program and may not be used to satisfy any basic degree requirements. These developmental courses are: ENGL 1000 (co-req), MATH 1106, MATH 1116, MATH 1118, and MATH 1119 (co-req).

Associate of Arts and Associate of Science Degrees

The Associate of Arts and the Associate of Science degrees allow each student the opportunity to pursue programs culminating in two years of formal education. While the programs provide for a core of courses required of all students, they have enough flexibility to enable students to pursue a selection of courses based upon their own areas of interest and their educational goals. Students should select electives with their academic advisor's assistance.

The Associate of Arts and the Associate of Science degrees also provide the prospective student with a firm base from which to pursue a baccalaureate degree at a four-year college or university. Courses resemble those typically offered during the first two years at an accredited baccalaureate institution. The programs have been designed to permit a broad curricular sampling in the areas of communication, social sciences, humanities, and the sciences. The degrees have also been structured to permit students the possibility of selecting courses which suit their own individual needs.

Students must meet the entrance requirements of the college to which they intend to transfer. Since requirements vary among the colleges, students are advised to consult with the appropriate officers of the transfer institution. Acceptance and evaluation of credits lies exclusively within the jurisdiction of the colleges to which students transfer. Advisors will assist any student who plans to transfer to another college or university.

General Studies Requirements

Every student pursuing an Associate of Arts or Associate of Science degree program at Southern State Community College shall select studies in specific areas of discipline. The specification of such studies is not a designation of specific courses; rather it allows the student freedom to select, from several alternatives, those experiences most appropriate for him/her. The credit distribution which follows is based on the recommended standards of the Ohio Department of Higher Education.

Ohio Transfer 36 (OT36) and Institutional Transfer Pathways (OGTP)

The Ohio Department of Higher Education developed a statewide policy which facilitates student transfer credit within Ohio state colleges and universities. The Ohio Articulation and Transfer Policy allows students who meet approved general education requirements of their home institutions to automatically fulfill the Ohio Transfer 36 (OT36) module requirements of state institutions to which they transfer, even though general education courses may vary. Students should note, however, that after transfer, they may be required to meet additional general education requirements that are not included in their OT36 module.

The OT36 Module is made up of a specific subset of general education requirements in English composition, oral communications, Mathematics, humanities, fine arts, social science, behavioral science, physical science, natural science and interdisciplinary course work. The study of foreign language is also encouraged. The requirements contain 36 semester hours of course credits, as specified by individual colleges and universities.

The Ohio Guaranteed Transfer Pathways (OGTPs) are designed to provide clear pathways to degree completion for students pursuing associate degrees and then transferring to an Ohio public university for a bachelor's degree. The OGTPs constitute an agreement between public community colleges and universities confirming that community college courses meet major preparation requirements, including the Transfer Module, and will be counted and applied toward the bachelor's degree. Students still must meet all university program admission requirements, which in some cases may be competitive. (See Transfer Resources for OT36 and OGTP Pathways). Under the guidelines of the Ohio Transfer Policy, once transfer students are admitted into their receiving institutions, they are subject to the same regulations, including residency requirements, as are native students. They also will be given the same class standing and other privileges as

native students., Students should communicate, as early as possible in their academic careers, with the various colleges and universities to which they plan to transfer. Early communication and subsequent, early decisions about majors and prospective receiving institutions, enables students to plan their academic pathway to their transfer institutions. Southern State cannot be responsible if the student takes courses out of sequence or substitutes courses for those listed in the guaranteed program. For more information on transferring credit, <https://transfercredit.ohio.gov/>

Ohio Transfer (OT36) Module Requirements

The Ohio Transfer (OT36) Module at Southern State Community College (revised Autumn term, 2021) consists of 36 semester credit hours of introductory general education courses in: English Composition/ Oral Communications, Mathematics, Arts/ Humanities, Social and Behavioral Sciences, and Natural and Physical Sciences. Students follow these directions in selecting OT36 approved courses:

1. Select minimum requirements from introductory courses following the instructions provided in each section.
2. Complete the required minimum hours of the OT36 Module from the remaining courses on this list.

NOTE: Be sure to check with an academic advisor to assure the courses selected are the most appropriate for the major and the transfer college or university selected.

WRITTEN & ORAL COMMUNICATIONS

(9 semester hours)

ENGL 1101	English Composition I (3)
ENGL 1102	English Composition II (3)
COMM 1115	Fundamentals of Effective Speech (3)

(This course is in addition to English Composition and does not replace nor can it be substituted for written composition courses.)

MATHEMATICS

(Select a minimum of 3 semester hours)

MATH 1124	Finite Math (3)
MATH 1125	Quantitative Reasoning (4)
MATH 1141	College Algebra (4)
MATH 1142	College Trigonometry (4)
MATH 2221	Calculus I (5)
MATH 2222	Calculus II (5)
MATH 2223	Calculus III (4)
MATH 2250	Linear Algebra (4)
MATH 2281	Introductory Statistics (3)

ARTS/HUMANITIES

(Select 6 semester hours from at least two areas)

English

ENGL 2201	Introduction to Literature (3)
ENGL 2202	The Great American Novel (1925-Present) (3)
ENGL 2207	Women's Literature (3)
ENGL 2217	Readings in Early British Literature (3)
ENGL 2218	Readings in Later British Literature (3)
ENGL 2230	American Literature to 1865 (3)
ENGL 2235	American Literature after 1865 (3)
ENGL 2236	Contemporary World Literature: The Novel (1945 to present) (3)
ENGL 2238	Young Adult Literature (3)
ENGL 2240	Introduction to Films (3)
ENGL 2241	Film History (3)
ENGL 2246	Classical and World Mythology (3)
ENGL 2247	Critical & Cultural Approaches to the Fairytale (3)

Philosophy

PHIL 1100	Critical Thinking (3)
PHIL 1101	Introduction to World Philosophy (3)
PHIL 1102	Introduction to Western Philosophy (3)
PHIL 1107	Ethics (3)

Fine Arts

FNAR 1104	Introduction to the Arts (3)
FNAR 1111	History of Art I (3)
FNAR 1112	History of Art II (3)
FNAR 1116	Music Appreciation I (3)
FNAR 1117	Music Appreciation II (3)

Theater

THEA 1121 Introduction to the Theater (3)

SOCIAL SCIENCE**(Select 6 semester hours in at least two areas)****Economics**

ECON 2205 Principles of Microeconomics (3)

ECON 2206 Principles of Macroeconomics (3)

History

HIST 1110 American History I (3)

HIST 1111 American History II (3)

HIST 1130 African American History (3)

HIST 1140 American Women's History (3)

HIST 1151 Introduction to Western Civilization I (3)

HIST 1152 Introduction to Western Civilization II (3)

Political Science

PSCI 1104 American Government (3)

PSCI 1105 American Government - The American Democracy II (3)

PSCI 2208 Comparative Government and Politics (3)

Psychology

PSYC 1110 Principles of Psychology (3)

PSYC 1111 Life Span Human Development (3)

Sociology

SOCI 1107 Introduction to Diversity (3)

SOCI 1170 Introduction to Sociology (3)

NATURAL AND PHYSICAL SCIENCES**(Select 6 semester hours with at least one course a laboratory course)****Biology**

BIOL 1040 Human Biology I (4)

BIOL 1050 Human Biology II (3)

BIOL 1060 Environmental Science (3)

BIOL 1310 Principles of Biology I (5)

CHEM 2202/ 2212 Organic Chemistry II/Organic Chemistry Lab (4/1)

**Physical Science**

PHYS 1101 Introduction to Physical Science (3)

PHYS 1104 Physical Geology (4)

PHYS 1130 Astronomy (3)

PHYS 2201 General Physics I (Algebra Based) (5)

PHYS 2202 General Physics II (Algebra Based) (5)

PHYS 2221/2231 College Physics for Scientists & Engineers I/Lab I (5)

PHYS 2222/2232 College Physics for Scientists & Engineers II/Lab II (5)

Technical Programs

Technical education is designed to provide thorough career training at the technician level. The two-year associate degree programs expose students to intensive practical experience and skill development in the field they choose to study. The certificate programs are aimed at giving students a compact but thorough knowledge in a specified field. Technical offerings are tailored to meet the career interests and employment needs of persons in the communities served by Southern State Community College.

These degrees are awarded for successful completion of program requirements in a specialized degree program aimed at preparing a student for entry into a specific occupation.

Associate of Applied Business

- 429 Business Management
- 429 Business Management Agriculture
- 429 Business Management Real Estate Broker
- 429D Accounting

Associate of Applied Science

- 430 Nursing
- 435 Human & Social Services
- 435A Human & Social Services:
Chemical Dependency
- 455B Computer Technology
- 460C Mechanical Design Technology
- 470A Electro-Mechanical Engineering Technology
- 470G Engineering: Aviation Maintenance
- 485 Early Childhood Education

Associate of Technical Studies

- 410 Associate of Technical Studies

It is important for students to plan their program with the help and approval of a faculty advisor.

Certificate Programs

These certificates are awarded for successful completion of the certificate requirements designed to give students a compact but thorough knowledge for these fields:

- 429G Accounting
- 432 Practical Nursing
- 470I Aviation Airframe
- 470J Aviation Powerplant

Career Enhancement Certificates

- Real Estate Broker
- Real Estate Salesperson
- Microsoft Office Specialist

Associate of Arts Degree

Two-year Degree Program

Total Credits: 60

General Education Distribution Requirements

Associate of Arts Degree

To receive an Associate of Arts Degree, a student must complete course work that satisfies the following guidelines:

1. The SSCC Transfer Module (OT 36) (36 semester credit hours) must be satisfied.
2. A minimum total of 60 non-developmental education semester credit hours must be successfully completed.
3. Course work must be distributed in the following manner. In all cases, courses taken to satisfy the Transfer Module may be included in these totals.

A. Written & Oral Communications

9 semester hours

- ENGL 1101
- ENGL 1102
- COMM 1115

B. Social Sciences

9 semester hours (Courses from at least 2 areas)

- Economics
- Sociology
- Psychology
- History
- Political Science

C. Science and Mathematics

9 semester hours (at least one course from category 1 and two courses from category 2)

- Category 1: Mathematics
- Category 2: Biology, Chemistry, Physics

D. Arts and Humanities

12 semester hours (Courses from at least two areas)

- Literature
- Film
- Fine Arts
- Philosophy
- Theater
- Foreign Language

E. Electives

At least 21 semester hours

60 total credit hours for degree completion

Students with specific baccalaureate goals should meet the Associate of Arts requirements with electives that are approved by the advisor at the receiving institution.

Associate of Arts Degree

Concentration Pathways

Associate of Arts – Concentration Pathways

The concentrations listed below are academic pathways within the Associate of Arts Degree. *For example, a student who is planning to transfer to a four-year institution for Business Management may be interested in pursuing a concentration in Business Management.* Students must meet all requirements for the Associate of Arts Degree and Transfer Module to qualify for a concentration.

• **Health, Fitness, and Exercise Science** *(Minimum of 9 credit hours earned from the following courses)*

HFES 1101	Introduction to Exercise Science
HFES 1102	Introduction to Athletic Training
HFES 1195	Fitness and Wellness for Life
HFES 1190	Health-Related Fitness Foundations
HFES 2234	Personal Health

• **Business Management** *(All courses listed below are required)*

ACCT 1101	Principles of Financial Accounting
ACCT 1102	Principles of Managerial Accounting
BADM 2204	Principles of Marketing
BADM 2206	Principles of Mgmt & Org. Behavior
BADM 2251	Business Law I
BADM 2272	Business Communications

• **Real Estate** *(All courses listed below are required)*

REST 1171	Principles of Real Estate
REST 1173	Real Estate Law
REST 2275	Real Estate Finance & Appraisal

• **Theatre**

THEA 1121	Introduction to Theatre
	<i>Choose one of the following:</i>
	- THEA 1131, THEA 1132,
	THEA 2231
	<i>Choose one of the following:</i>
	- THEA 1101, THEA 1104,
	THEA 2204
	<i>Choose one of the following:</i>
	- THEA 1140, THEA 1150,
	THEA 2220

• **Agriculture** *(Minimum of 9 credit hours earned from the following courses)*

AGRI 1101	Agricultural Economics
AGRI 1103	AgriBusiness
AGRI 1106	Principles of Crop Science
AGRI 1107	Principles of Animal Science
AGRI 1114	Principles of Horticulture
AGRI 1119	Greenhouse Management
AGRI 1126	Livestock Feeds & Feeding
AGRI 2200	Agricultural Field Experience

Associate of Arts Degree

Concentration Pathways

- **Associate of Arts degree in Arts and Sciences: Concentration in Primary Education (P-5)**

EDUC 1000	Introduction to Child Development
EDUC 1140	Introduction to Early Childhood Education
EDUC 1145	Observation/Assessment of Children
EDUC 2215	Health Safety and Nutrition
PSYC 2207	Human Growth and Development

- **Associate of Arts degree in Arts and Sciences: Concentration in Middle Childhood Education (grades 4-9) / Adolescence to Young Adult Education (grades 7-12) / Career Technical Education (grades 4-12)**

EDUC 1000	Introduction to Child Development
EDUC 1101	Introduction to Education
EDUC 2228	Families, Communities, and Schools
EDUC 2243	Individuals with Exceptionalities
PSYC 2207	Human Growth and Development

- **Associate of Arts degree in Arts and Sciences: Concentration in Intervention Specialist Education (grade bands vary)**

EDUC 1000	Introduction to Child Development
EDUC 1101	Introduction to Education
EDUC 2243	Individuals with Exceptionalities
EDUC 2260	Teaching in a Diverse Society
PSYC 2207	Human Growth and Development

- **Sociology - Criminology**

SOCI 1170	Introduction to Sociology
SOCI 2221	Criminology
SOCI 2231	Juvenile Delinquency
SOCI 2232	The Criminal Justice System

Associate of Science Degree

Two-year Degree Program

Total Credits: 60

Associate of Science Degree

To receive an Associate of Science Degree, a student must complete course work that satisfies the following guidelines:

1. The SSCC Transfer Module (OT 36) (36 semester credit hours) must be satisfied.
2. A total of 60 non-developmental education semester credit hours of must be successfully completed.
3. Course work must be distributed in the following manner. In all cases, courses taken to satisfy the Transfer Module may be included in these totals.

A. Written and Oral Communications

9 semester hours

- ENGL 1101
- ENGL 1102
- COMM 1115

B. Social Sciences

9 semester hours (Courses from at least 2 areas)

- Economics
- Sociology
- Psychology
- History
- Political Science

C. Science and Mathematics

14 semester hours Courses from 1 and 2 (at least one course from category 1 and two courses from category 2)

1. Mathematics - 1141, 1142, 2221, 2222, 2223, 2230, 2281

Other math courses will not satisfy this requirement.

2. Science - Biology - 1040/1041, 1050, 1310/1311, 1320/1321, 1510/1511, 1520/1521, 2300/2301

Chemistry - 1151/1161, 1152/1162, 2201/2211, 2202/2212

Physical Science - 2201/2211, 2202/2212, 2221/2231, 2222/2232

Other science courses will not satisfy this requirement.

D. Arts and Humanities

9 semester hours (Courses from at least two areas)

- Literature
- Film
- Fine Arts
- Philosophy
- Theater
- Foreign Language

E. Electives - At least 19 semester hours

60 total credit hours for degree completion

Students with specific baccalaureate goals should meet the Associate of Science requirements with electives that are approved by an advisor at the receiving institution.

Associate of Science Degree

Concentration Pathways

Associate of Science – Concentration Pathways

The concentrations listed below are academic focus pathways within the Associate of Science Degree. For example, a student who is planning to transfer to a four-year institution for Engineering may be interested in pursuing a concentration in Mathematics. Students must meet all requirements for the Associate of Science Degree and Transfer Module to qualify for a concentration.

- **Mathematics**

PSYC 2207	Human Growth and Development

Technical Studies - 410

Associate of Technical Study Degree

Total Credits: 60-73

The Associate of Technical Study (ATS) program offers the student the opportunity to design, with faculty guidance, an individualized course of study to suit specific career-related goals. Course work for ATS degrees may include portions of existing Southern State programs, skills already learned, life experience and applicable credits earned at other schools. Requirements for an individual student's program usually fit into traditional program offerings.

While meeting each student's personal career objectives, the ATS program satisfies the employer as well. The program is particularly appropriate for individuals who are employed and have been targeted for positions with additional responsibility. It also provides an option for both employer and employee when existing job positions have requirements which are not adequately matched with current college curricula. The individualized philosophy of the program draws courses from two or more technical areas and attempts to fulfill local employment needs one student at a time. Furthermore, this multidisciplinary approach will prepare graduates for future transitions which may occur in the workplace.

Admissions Procedures

Individuals interested in pursuing the Associate of Technical Study degree will begin the application procedure by first being directed to a faculty advisor.

Secondly, the student will complete and submit the Southern State Community College Application for Admission and the Associate of Technical Study Application. On the ATS Application form, the student will be asked to justify acceptance into the program and to demonstrate sound rationale for why the ATS degree is more appropriate.

Next, the student will be assigned a faculty advisor and an ATS planning committee will be established. The faculty advisor, along with the planning committee, will oversee the selection of courses and assure that standards will be maintained.

Each student's progress will be monitored, and any deviation from the established program must be approved by the Vice President of Academic and Student Affairs.

Graduation Requirements

1. Graduates of the ATS program will adhere to the same requirements as any technical program at Southern State with regard to communications, mathematics, social science/humanities and natural sciences.
2. Semester hour requirements will be established individually within limits of 60 to 73.

3. A grade point average of 2.00 or above is required for graduation.
4. At least 20 semester hours of classroom instruction of each student's course work must be completed at Southern State.
5. Particular courses may be required by the planning committee, based upon the student's background and career objectives.

Associate of Technical Study: Type A Program

This program enables the student to receive college credit for qualified industry training and to choose courses from two or more existing Southern State associate degree programs and thereby design a personalized curriculum. All ATS Type A program curriculums must be approved by the Vice President of Academic and Student Affairs.

Associate of Technical Study: Type B Program

This program helps the college to develop associate degree programs in partnership with professional organizations and business/industrial firms with staff development programs by equating their training activity to a block of college credit.

A college review committee will examine the training program offered by an organization in order to determine if it qualifies for inclusion.

When implemented, each program accommodates students transferring from an educational program which lies outside the traditional collegial domain. The degree gives recognition to the training of the professionals while enabling them to experience the broadening, liberalizing, and enriching components of a college education. For more information concerning the ATS Type B program, contact your faculty advisor.

Currently, cooperative arrangements can be incorporated for ATS Type B degrees in the following:

Industrial Training

Southern State has worked with numerous industries to develop a program for skill areas used in industry from existing curriculum, in whole or in part. These completed programs can provide a significant amount of credit toward an associate degree.

The basic ingredients of these programs and their basic framework can be adapted to other trade or skill areas to meet other companies' needs.

Total Credits: 60-73

Business Management - 429

After completion of CSCI 2218, students can sit for the Excel Licensure Exam.

After completion of ACCT 2230, students can sit for the Intuit Quickbooks Licensure Exam.

Completion of the Accounting One-Year Technical Certificate is stackable into the Accounting Associate Degree.

Nursing - 430

Associate of Applied Science Degree

Total Credits: 65-68

Nature of the Profession: The registered nurse (RN) provides patient care due to illness or desire to maintain health. The RN scope of practice is defined by the Ohio Nurse Practice Act. RNs practice nursing in a wide range of settings including hospitals, schools, work sites, and patient's homes. Multiple advanced degrees are offered at various universities.

Program Design: The program is designed to be completed in five semesters. It is a daytime program, with primarily face-to-face classes. Accepted students enter with a specific cohort, and continue within that cohort until graduation. All lecture, lab, simulation, and clinical experiences are integrated into each semester, and must be completed successfully to progress in the program. NRSG courses must be completed in the order listed in the outline.

Non-nursing courses may be completed prior to entry into the program or during the required semester of the nursing program. Please note this may reduce the amount of Financial Aid you receive each term.

Admission Criteria: Admission to the nursing program is a competitive and selective process. The Associate Degree Nursing Pathway Information Packet describes the application process and documentation required to support entry into the ADN Program. The Nursing Transition Pathway Information Packet is available to guide practicing LPNs to apply to the Associate Degree Nursing Program. The Associate Degree Nursing Program and Nursing Transition Pathway Information Packets are available at all Southern State campuses or at:
www.sccc.edu/academics/associate/nursing.shtml

Incomplete applications will not be considered. It is the responsibility of the applicant to be sure the required information is submitted to the nursing office.

Other recommended courses are: CHEM 1124, COMM 1115, any course with FNAR prefix. MATH 1160 and PSYC 1110. If preparing for BSN completion, please contact school of choice for program requirements.

Practical Nursing - 432

Certificate Program

Total Credits: 35

Nature of the Profession: The licensed practical nurse (LPN) provides patient care due to illness or desire to maintain health. The LPN scope of practice is defined by the Ohio Nurse Practice Act. The LPN provides care at the direction of a licensed physician, dentist, podiatrist, optometrist, chiropractor, or registered nurse. The majority of LPNs work is in long-term care and community organizations.

Program Design: The Practical Nursing Program is a three semester certificate program combining lecture, lab, and clinical experiences designed to prepare the graduate to be eligible to complete the licensure examination (NCLEX-PN) to become a Licensed Practical Nurse. The program has full approval of the Ohio Board of Nursing.

Admission Criteria: Admission to the nursing programs is a competitive and selective process. The Practical Nursing Program Information Packet describes the application process and documentation required to support entry into the Practical Nursing Program. The Practical Nursing Program Information Packet is available at all Southern State campuses or at www.ssc.edu/academics/certificate/practical-nursing.shtml

Non-nursing courses may be completed prior to entry into the program or during the required semester of the nursing program. Please note this may reduce the amount of Financial Aid you receive each term.

Incomplete applications will not be considered. It is the responsibility of the applicant to be sure the required information is submitted to the nursing office.

Human and Social Services - 435

Associate of Applied Science Degree

Total Credits: 64

Nature of the Profession: Human services worker is a generic term for people with various job titles who may play a variety of roles in community service and agency settings. They may assist clients in obtaining benefits and services or assess the needs and establish the eligibility of clients for services. They may organize and lead group activities, assist clients in need of emotional support or crisis intervention, or they may monitor and keep case records on clients and report progress to supervisors. Additionally, human services workers may administer programs such as food banks, emergency fuel programs, or work with senior centers or charities.		COURSES		CREDITS
Human services workers generally work under the direction of a qualified professional--many times a social worker, professional counselor, program director, or psychologist. The amount of responsibility and supervision they are given varies a great deal, as do actual work duties. Some are on their own most of the time and have little direct supervision; others work under close supervision.		Fall Semester

		BIOL 1041	Human Biology Lab I	1
		SOCI 1170	Introduction to Sociology	3
Program Design: The program provides a foundation in social and behavioral sciences which will prepare students for challenging work in a variety of social service settings. Entry level courses in the helping professions such as psychology, cultural diversity, sociology, social problems, and interviewing techniques will be offered. Specialty classes will include substance abuse, case management, counseling, crisis intervention, mental retardation, and gerontology. The program has been designed to meet the course work standards of the State of Ohio Counselor, Social Worker, and Marriage and Family Therapist Board certification as Social Work Assistant. Individuals will be provided opportunities for personal and professional growth through knowledge-based learning, experiential processes, community involvement and 480 hours of practical experience under direct supervision of professionals in local agencies. Persons pursuing a career in human services should recognize that to be successful, they must be emotionally stable, creative, and flexible. Human services professionals must be able to work effectively with diverse groups of people and individuals with a wide variety of ages, racial and cultural backgrounds, and life situations.				

Persons pursuing a career in human services should recognize that to be successful, they must be emotionally stable, creative, and flexible. Human services professionals must be able to work effectively with diverse groups of people and individuals with a wide variety of ages, racial and cultural backgrounds, and life situations.

A grade of "C" (2.00) or better is required in all courses for graduation. Any required course in which a grade below a "C" is received must be repeated. Life experience credit may not be used to fulfill graduation requirements in this program.

Chemical Dependency Major - 435A

Human and Social Services - Associate of Applied Science Degree

Total Credits: 64

Nature of the Profession:

The Human and Social Services Chemical Dependency Major is designed to prepare students for careers in case management and counseling of chemically dependent individuals and their families. Students are prepared for employment in entry level positions in a variety of settings including therapeutic communities, rehabilitation centers, inpatient facilities, residential programs, outpatient clinics, mental health centers, detox units, and other organizations focusing on addictions treatment, education, or prevention. They may organize and lead group activities, assist clients in need of emotional support or crisis intervention, or they may monitor and keep case records on clients and report progress to supervisors. The amount of responsibility and supervision they are given varies a great deal, as do actual job duties.

Related Job Titles: Case Manager, Caseworker, Chemical Dependency Counselor, Social Work Assistant, Home Visitor, Residential Treatment Facility Associate, Addictions Educator, Intake Specialist.

Program Design:

The program provides students with a foundation in social and behavioral sciences, a focused study in addictions, and career-oriented clinical/practicum experiences leading to the development of competent addictions counselors. The curriculum places strong emphasis on application of knowledge to problems and practices in the fields of human services and chemical dependency treatment, intervention, and prevention. Courses in the program address basic human services and counseling skills, pharmacology and addictions theory, as well as a selection of liberal arts topics to provide a broad understanding of the human experience. Academic and clinical application coursework is built around the knowledge, skills, and competencies necessary to help clients move from life threatening addictions to recovery. Classes focus on the following: psychological and sociological understanding of human interactions; addictive behaviors and various treatments utilized with chemically dependent persons; pharmacological effects of alcohol and other chemicals; understanding the various needs of special populations and their differing help seeking behaviors; ethical issues including confidentiality, appropriate boundaries, and dual relationships; and counseling theory and techniques.

Program requirements address the competencies identified by Ohio Department of Mental Health and Addictions Services (OMHAS). Graduates will have completed the necessary coursework requirements for eligibility as a Licensed Chemical Dependency Counselor II, a credential awarded by the Ohio Chemical Dependency Professionals Board. Additional requirements for LCDC II include a period of supervised experience, some of which students are expected to complete after graduation from the program. Program graduates planning to work as chemical dependency counselors must apply for and receive this credential in order to practice legally in the State of Ohio. In addition, the program meets the educational requirements of the State of Ohio Counselor, Social Worker, and Marriage and Family Therapist Board certification of Social Work Assistant.

A grade of "C" (2.00) or better is required in all courses for graduation. Any required course in which a grade below "C" is earned must be repeated. Students completing the Chemical Dependency Major must complete their entire practicum experience at a chemical dependency counseling/treatment facility. Life experience credit may not be used to fulfill graduation requirements in this program.

Fall Semester

ENDS 1140	Introduction to Engineering Graphics w/AutoCAD	3
ENDS 1100	Introduction to Engineering	2
ENGL 1101	English Composition I	3
MATH 1120	Technical Math	3
EENG 1105	DC Circuits & Devices	3

Spring Semester

CSCI 2260	MicroController Programming	3
ENDS 2232	Introduction to SolidWorks	3
PHYS 2201	General Physics I	5
EENG 2205	Digital Electronics	3
EENG 1115	AC Circuits & Devices	3

Fall Semester

EENG 1185	Electrical Machinery	3
EENG 2285	Manufacturing Control Systems	3
ENDS 2205	Hydraulics & Pneumatics	3
EENG 2215	Analog Circuits & Devices	3
ENDS 2201	Engineering Mechanics: Statics	3
ENDS 1143	Introduction to Project Management & Product Design	3

Spring Semester

ENDS 2203	Strength of Materials	3
ENDS 2299	Design Capstone Project	3
ENGL 2205	Technical Report Writing	3
COMM 1115	Fundamentals of Effective Speech	3
-----	General Elective (Humanities or Social Sciences)	4

Program Total **65**

Electro-Mechanical Engineering Technology - 470A

Associate of Applied Science Degree - Part-time (3-year) Pathway

Total Credits: 65

Nature of the Profession: Electro-Mechanical engineers work in various engineering and manufacturing companies using the principles and theories of science, engineering, and mathematics. They may prepare specifications for materials, test for quality control, study ways to improve manufacturing efficiency, supervise production workers, work as field representatives, install and repair technical equipment, or write repair and operation manuals.

Related Job Titles: Product Design and Manufacturing Technician, CAD, CAM, Instrumentation Calibration and Repair Technician, Technical Writer, Sales Technician, and Research and Test Technician.

COURSES CREDITS

Fall Semester | Year One

EENG 1105	DC Circuits & Devices	3
ENDS 1100	Intro to Engineering	2
MATH 1120	Technical Mathematics OR	
MATH 1141	College Algebra OR higher	3

Spring Semester | Year One

PHYS 2201	General Physics	5
EENG 2205	Digital Electronics I	3
EENG 1115	AC Circuits & Devices	3

Summer Semester | Year One

ENGL 1101	English Composition I	3
-----	General Elective	4

Fall Semester | Year Two

ENDS 2201	Engineering Mechanics: Statics	3
EENG 2215	Analog Circuits & Devices	3
EENG 1185	Electrical Machinery	3

Spring Semester | Year Two

CSCI 2260	Microcontroller Programming	3
ENDS 2232	Introduction to SolidWorks	3
ENDS 2203	Strength of Materials	3

Summer Semester | Year Two

ENDS 1143	Introduction to Project Management & Product Design	3
COMM 1115	Fundamentals of Effective Speech	3

Fall Semester | Year Three

ENDS 1140	Introduction to Engineering Graphics & AutoCAD	3
ENDS 2205	Hydraulics & Pneumatics	3
EENG 2285	Manufacturing Control Systems	3

Spring Semester | Year Three

ENGL 2205	Technical Report Writing	3
ENDS/EENG 2299	Research Project	3

Program Total	65
----------------------	-----------

Aviation Maintenance - 470G

Associate of Applied Science Degree

Total Credits: 65

Nature of the Profession: Aviation mechanics repair and perform scheduled maintenance on airplanes and helicopters. They inspect aircraft as required by the Federal Aviation Administration (FAA).

Related Job Titles: Aviation Maintenance Technician, Aviation Mechanic, Sales and Service Technician, and FAA Certified Repairman.

COURSES CREDITS

Fall Semester

AVIT	1101	Aircraft Operations and Preservation	3
AVIT	1102	Aircraft Maintenance Forms & Inspection Techniques	3
AVIT	1103	Aircraft Materials & Corrosion	3
AVIT	1104	Fundamentals of Electricity and Electronics	3
MATH	1128	Avit. Technician Mathematics	3

Spring Semester

AVIT	1201	Flight Controls, Rotorcraft & Inspection	3
AVIT	1202	Airframe Non-Metallic Structures	3
AVIT	1203	Aircraft Communications & Instruments	3
AVIT	1204	Aircraft Environmental, Ice, Rain, & Water Systems	3
PHYS	2201	General Physics I	4
PHYS	2211	General Physics I Lab	1

Fall Semester | Year 2

AVIT	2301	Aircraft Metallic Structures	4
AVIT	2302	Aircraft Fuel, Hydraulics, & Gear	4
AVIT	2303	Airframe Electricity & Fire Protection	4
ENGL	1101	English Composition I	3
SOCI	1170	Introduction to Sociology	3

Spring Semester | Year 2

AVIT	2401	Reciprocating Engines I	3
AVIT	2402	Reciprocating Engines II	3
AVIT	2403	Turbine Engines I	3
AVIT	2404	Turbine Engines II	3
PHIL	1107	Ethics	3

Program Total

65

Airframe Certificate - 470I

Total Credits: 36

Nature of the Profession: Aviation mechanics repair and perform scheduled maintenance on airplanes and helicopters. They inspect aircraft as required by the Federal Aviation Administration (FAA). The Airframe Certificate is the foundation of the maintenance technical role to maintain registered aircraft. The Airframe program must be completed before any FAA testing can occur as it also incorporates the general knowledge requirement.

Related Job Titles: Aviation Airframe Mechanic

COURSES CREDITS

Fall Semester

AVIT 1101	Aircraft Operations & Preservation	3
AVIT 1104	Fundamentals of Electricity and Electronics	3
AVIT 1103	Aircraft Materials and Corrosion	3
AVIT 1102	Aircraft Maintenance Forms & Inspection Techniques	3

Spring Semester

AVIT 1203	Aircraft Communications & Instruments	3
AVIT 1202	Airframe Non-Metallic Structures	3
AVIT 1204	Aircraft Environmental, Ice, Rain, & Water Systems	3
AVIT 1201	Flight Controls, Rotorcraft, & Inspection	3

Fall Semester

AVIT 2301	Airframe Metallic Structures	4
AVIT 2302	Aircraft Fuel, Hydraulics, & Gear	4
AVIT 2303	Airframe Electricity & Fire Protection	4

Program Total	36
----------------------	-----------

Powerplant Certificate - 470J

Total Credits: 32

Nature of the Profession: Aviation mechanics repair and perform scheduled maintenance on airplanes and helicopters. They inspect aircraft as required by the Federal Aviation Administration (FAA). Works to diagnose, repair, and maintain aircraft and helicopter engines and assemblies.

Related Job Titles: Aviation Mechanic and Aviation Power Plant Technician .

Early Childhood Education - 485

Associate of Applied Science Degree - Full-time (2-year) Pathway

Total Credits: 63

Nature of the Profession: Early childhood professionals are responsible for planning daily programs, providing caring and nurturing environments, and utilizing community resources to enrich programs and to support the needs of young children and their families.

Related Job Titles: Pre-kindergarten Teacher, Associate Teacher, Preschool/Child Care Teacher, Nanny, Infant/Toddler Caregiver, or Children's Activities Coordinator for hospitals, group homes, resorts, etc.

Note: Successful completion of the Early Childhood Education program, along with a passing performance on the required state of Ohio exam, will permit graduates to obtain an Ohio Pre-K teaching license.

COURSES		CREDITS
Fall Semester		
EDUC 1140	Introduction to Early Childhood Education	3
EDUC 1145	Observation/Assessment of Children	3
EDUC 2234	Technology in Education	3
EDUC 1000	Introduction to Child Dev.	3
ENGL 1101	English Composition I	3
