

# Student Affairs & Student Life

## Student Affairs

The Student Affairs Department of Southern State Community College is supportive of the philosophy and goals of the College. The College has organized a program of services and activities to assist each student in making full use of the curricular and co-curricular programs at Southern State.

The following functions are among those which are provided: information about admission requirements, advising and scheduling, grade reports, maintenance of student permanent records, proficiency examination information, counsel regarding graduation requirements, veterans' educational benefits, financial aid, requests for transcripts, and student activities.

### Alcohol and Drug Policy

Students who drink or use illegal drugs on the College campus will experience far-reaching effects on their academic and personal lives. Students who abuse alcohol or drugs will suffer from impairment of their decision-making capacity, which in turn may result in unintended behavior and consequences that include:

- Missing classes
- Unintended sexual activity
- Injuries or death
- Violence and vandalism

### Alcohol Policy

The laws of the State of Ohio forbid the sale or serving of alcoholic beverages to persons under 21 years of age. Persons 21 or older who have a valid Ohio driver's license may be served. The law also forbids misrepresenting one's age for the purpose of consuming or purchasing alcoholic beverages. It is the intention of this policy to promote attitudes toward alcohol use that are consistent with the goal of learning to take responsibility for one's life and learning to work in the community with others.

The following general policy statement is designed to (1) be consistent with the laws of Ohio; (2) stress moderation, safety and individual accountability for those who choose to drink; (3) work towards a college atmosphere that is free of coercion for those who choose to drink; (4) maintain a community where alcohol abuse and its effects are minimal; (5) provide information and education for all students and (6) provide confidential and effective guidance and counseling for those with special needs related to alcohol use and alcoholism.

This policy was developed by the Disciplinary Committee made up of representatives from the student body, faculty, institutional support staff, and

the administration. All members of the Southern State community are expected to be familiar with and abide by the principles and details of this statement.

The sale, acquisition, possession, transportation and consumption of alcoholic beverages are governed by various statutes of Ohio and regulations of the Alcoholic Beverages Control Commission. In general, some of the pertinent statutes and regulations provide that:

1. No person or group shall sell, deliver, purchase or otherwise procure alcoholic beverages for consumption by a person under 21 years of age. Violators are subject to arrest, criminal charges, fines and imprisonment.
2. No person shall use the driver's license or other identification of another or permit such identification to be used by another, or allow or deface any cards in order to procure alcoholic beverages. Violators are subject to arrest, criminal charges and fines.
3. No person shall operate a motor vehicle while under the influence of alcoholic beverages. Violators are subject to arrest, fines, mandatory court education programs, loss of license and/or imprisonment.
4. No person who is intoxicated shall be served an alcoholic beverage on licensed premises. Violators are subject to fine and possible disciplinary action from the local licensing authority.
5. No person under 21 years of age shall transport, purchase, sell, deliver, possess or receive or otherwise procure alcoholic beverages except in the course of employment. Violators are subject to arrest, criminal charges, fines and imprisonment.

In addition to state laws, local ordinances prohibit the possession of open containers of alcohol on county property (buildings, parks, etc.).

### Weapons Possession Policy

Unless otherwise authorized by law, no person shall knowingly possess, have under the person's control, convey, or attempt to convey a deadly weapon or dangerous ordinance onto the premises of any Southern State Community College campus.

## Campus Offices

Each campus maintains a Student Affairs Office that can provide answers to most student questions and concerns. More specific concerns or problems will be forwarded to the appropriate office within the Student Affairs Department.

## Advising Services

Students begin their academic process with an Academic/Career Advisor to determine their desired career pathway and plan course work based on assessment needs. Students are then encouraged to meet each term with their academic/career advisor or faculty advisor in advance of each semester priority registration period to revisit the current academic pathway and plan semester course options.

The mission of the Advising Center is to work collaboratively with students and faculty in developing educational pathways, identifying resources consistent with personal, academic, and career goals, and providing all support necessary for student success.

Academic/Career Advisors, available at all campus locations, are knowledgeable in all matters pertaining to student enrollment. This includes registration, late registration, add/drop of classes, withdrawals, and waitlists; college policies and regulations, i.e. grading system, clean slate, repeat policy, and waitlist; referrals to other services such as career, counseling, disabilities, financial aid, and tutoring; SSCC degree offerings, articulation agreements, and continuation partnerships

with other institutions of higher education.

Primary advising duties include but are not limited to the following:

- The selection and scheduling of semester courses based on chosen academic program
- Use of career discovery resources
- Development of course program maps for all SSCC degree programs
- Presentation of Student Success workshops
- Use of proactive advising to identify student needs
- Communication with and monitoring of students on academic warning
- Creation and monitoring of Academic Probation Plans
- Mentoring students on academic warning or probation.

## Connecting with an Academic/Career Advisor

**Scheduling appointments:** Students can schedule an appointment with an Academic/Career Advisor through their Navigate portal, connecting with the Office Associate on each campus, or by calling the Advising Center at 800.628.7722, ext.2825.

**Walk-ins:** The Advising Center welcomes drop-ins for students with a quick question or short need taking 15 minutes or less. Students need to be aware that drop-in opportunities could expect considerable wait times during busy times such as the first week of registration/semester start, and placement testing days.

**Course Load Recommendations:** Many students have difficulty deciding how many hours to enroll in each semester because of other outside obligations. The advising tool in this section lists a formula that can help students determine the correct number of credit hours to enroll in. Working with your academic or faculty advisor along with advising resources such as the “Course Load Recommendations” formula can help with these decisions.

What is meant by course load? Course load is the total number of credit hours in which you enroll in for a semester. Consider restrictions imposed by financial aid, scholarships, and your own commitments. Advisors usually suggest that first-year, full-time students enroll in approximately 12 credit hours their first semester.

**Please note: While a full load is 12 credit hours, a student must carry 15 credit hours each semester to complete most degrees in a timely manner.**

For every one credit hour in which you enroll, you will spend approximately two to three hours outside of class studying. Therefore, to help determine the course load most appropriate for you, use the following formula:

- 3 credit hours (1 course) = 3 hours in class per week = 6-9 hours study time per week.
- 12 credit hours (4 courses) = 12 hours in class per week = 24-36 hours study time per week.

Full time students enroll in 12-18 credit hours per semester. Part time students enroll in 1-11 credit hours per semester. The course load that is best for you depends on a variety of factors, such as other commitments, study skills, time management skills, and self-discipline. To determine the course load which is most appropriate for you, please refer to the following guidelines:

Employment Obligations - *Course Load if Working:*

- 40 hours per week - 3-5 credit hours
- 30 hours per week - 3-9 credit hours
- 20 hours per week - 6-12 credit hours
- Less than 20 hours - 12-18 credit hours

### Career Services

## Accessibility & Accommodations

Southern State Community College is committed to assuring equality of both opportunity and participation for persons with disabilities. The Americans with Disabilities Act (ADA) defines disability as a physical or mental impairment that substantially limits one or more major life activities such as walking, seeing, hearing, working, or learning. It further defines a person with a disability as having a physical or mental impairment, a record of such impairment, and/or someone that is regarded as having such impairment.

In addition to visible disabilities, such as the need for wheelchairs or sign language, this definition includes invisible disabilities as well. Some of these are learning disabilities, psychological disorders, and chronic illnesses.

Persons requesting reasonable adjustments for disabilities must self-identify to be granted protection under Section 504 and the Americans with Disabilities Act. Any student with a disability may request modifications at any time. However, because all individual needs are determined on a case by case basis, it is suggested that notification and appointments be made with the Learning Services & Accessibility Coordinator several months in advance. This will enable time to provide appropriate documentation and completion of necessary processes prior to beginning classes. Requests for accommodations must be received 45 days prior to the start of the term for which they are requested. This is to ensure that reasonable accommodations will be provided at the start of the term.

All information is held in confidence in compliance with SSCC policies. Contact the Learning Services and Accessibility Coordinator on Central Campus at (800) 628-7722 or (937) 393-3431 extension 2604.

### Grievance Procedure Under the Americans with Disability Act

This Grievance Procedure is established to meet the requirements of the Americans with Disabilities Act of 1990 (ADA). It may be used by anyone who wishes to file a complaint alleging discrimination on the basis of disability in the provision of services, activities, programs or benefits by Southern State Community College. The College's personnel policy governs employment related complaints of disability discrimination.

The complaint should be in writing and contain information about the alleged discrimination such as name, address, phone number of complainant and location, date and description of the problem. Alternative means of filing complaints, such as personal interviews or tape recordings of the complaint, will be made available for persons with disabilities, upon request.

The complaint should be submitted by the grievant and/or his/her designee as soon as possible, but no later than 60 calendar days after the alleged violation to:

Southern State Community College  
Learning Services and Accessibility Coordinator  
100 Hobart Drive  
Hillsboro, OH 45133

Within 15 calendar days after receipt of the complaint, the Learning Services and Accessibility Coordinator, or his/her designee, will meet with the complainant to discuss the complaint and possible resolutions. Within 15 calendar days of the meeting, the Coordinator, or his/her designee, will respond in writing, and, where appropriate, in a format accessible to the complainant, such as large print, Braille or audio tape. The response will explain the position of the College and offer options for substantive resolution of the complaint.

If the response by the Learning Services and Accessibility Coordinator, or his/her designee, does not satisfactorily resolve the issue, the complainant and/or his/her designee may appeal the decision within 15 calendar days after receipt of the response to the Dean of Student Affairs or his/her designee.

Within 15 calendar days after receipt of the appeal, the Dean of Student Affairs or his/her designee will meet with the complainant to discuss the complaint and possible resolutions. Within 15 calendar days after the meeting, the Dean of Student Affairs, or his/her designee will respond in writing, and, where appropriate, in a format accessible to the complainant, with a final resolution of the complaint.

All written complaints received by the Learning Services and Accessibility Coordinator, or his/her designee, appeals to the Dean of Student Affairs, or his/her designee, and responses from these two offices, will be retained by the College for at least three years.

## Valuing Our Veterans | Support & Assistance Policy

Southern State Community College (SSCC) seeks to assist service members and veterans as they pursue an advanced degree and/or certificate. In an effort to better serve this population, SSCC has adopted this policy as required by Ohio Revised Code Section 3345.421 (B). The purpose of this policy is to set forth the support and assistance SSCC will provide to service members and veterans.

In alignment with Ohio Revised Code Section 3345.42, this policy utilizes the definitions for "service member" and "veteran." "Service member" means a person who is serving in the armed forces of the United States. "Veteran" means any person who has completed service in the armed forces, including the national guard

of any state or a reserve component of the armed forces, and who has been discharged under honorable conditions from the armed forces or who has been transferred to the reserve with evidence of satisfactory service.

### **Support and Assistance Provided to Service Members and Veterans**

- Continue to work with the legislature, workforce and higher education community to identify and develop statewide policies to ensure the transition to higher education is seamless for all students, including service members and veterans. (This may include, but

is not limited to, issues such as transfer, credit for prior learning and/or experience, career ladders, support services, etc.); and

- Ensure the campus community is aware of benefits associated with the new Post 9/11 GI Bill® and actively find ways to connect returning service members and veterans with the services offered by the Department of Veterans Affairs.

### Guidelines for Implementation of the Alcohol and Drug Policy

The Southern State Community College policy on alcohol and alcohol related behavior stresses the concept of individual responsibility.

The purpose of these implementation guidelines is to summarize and clarify some institutional strategies to help students assume their responsibilities under the law.

Each individual should be aware of the state and local

laws and is responsible for their own decisions and actions and for any consequences of them. The legal requirements, as well as the College alcohol and drug policy, will be communicated to students in the following ways:

1. In writing, in the College policy manual and posted in the student center.
2. Verbally, during orientation.

The following types of concerns would warrant intervention by staff or the Vice President of Academic and Student Affairs:

1. Individuals demonstrating problem drinking patterns (this includes problems leading to or resulting from the irresponsible use of alcohol).
2. Individuals making irresponsible choices and decisions that could endanger themselves and others due to the influence of drugs or alcohol.
3. Individuals whose alcohol and/or drug related behavior infringes on the rights of others.
4. Individuals possessing or using drugs.

Interventions may be made in either or both of the following directions:

1. Accountability
  - a. The implications of the individual's or organization's behavior will be discussed with them by the Vice President of Academic and Student Affairs.

  - c. Serious problems can be referred immediately to the Disciplinary Committee.
  - d. The Vice President of Academic and Student Affairs retains the general authority in dealing with students.
2. Help/Support
  - a. The individual may be referred to counseling services.
  - b. The individual may be referred to support groups such as AA, Al-Anon, etc.
  - c. The individual may be referred to any other appropriate resource in the community.

An educational program will be developed, implemented, and coordinated by the Student Affairs Office.

At orientation, students will learn about the free services available to them, the College's academic policies and standards, how to stay safe both online and on campus, student life, and more. New Student Orientation is a fun, interactive way for our students to learn everything they need to know when starting at Southern State.

## Parking

Lighted parking lots are on each campus. The College reserves the right to have any vehicle that is illegally parked towed away by a professional wrecker service at the expense of the owner.

## Title IX - Anti-Hazing, Sex-based Harassment/Discrimination/Violence Policy

Southern State Community College will not tolerate hazing, harassment, discrimination, or violent behavior of any kind. Title IX policies protect students, employees, and third parties with relationships to the College from sex-based targeted incidents that disrupt the cohesive learning and working environment. There are strict fines and/or sentences levied by the State of Ohio for violation of said act.

## Student ID Cards

In adherence with the Family Educational Rights and Privacy Act (FERPA) as well as SCCC's commitment to protecting student information, Student IDs are the preferred means of authenticating student identity in the Library and Bookstore.

Student IDs provide important information to identify students including email address, ID number, library barcode, and photo. The library barcode, located on the back of the Student ID, is used to request and check-out library materials and to access electronic research databases off-site or to gain Remote Authentication.

Student IDs are FREE and only take a few minutes to make. To get an ID, students will need to visit any SCCC Library and bring their current class schedule and a photo ID to verify student information. Accepted photo IDs include: Driver's License, State ID, Military ID, or High School ID (if it has a photo). Please note, only currently enrolled students are eligible to receive their ID. Additionally, Student IDs will be available twenty-four hours after initial enrollment.

## Student Rights and Responsibilities

The welfare of the student is the primary interest and concern of Southern State Community College. The College endeavors to provide all students a college environment that is conducive to academic pursuit, social growth, and individual self-discipline. That students are both citizens and members of the academic community is recognized. As individual citizens, students have the same freedoms and rights guaranteed constitutionally for all members of our society. As members of the academic community, students hold rights of participation in the learning process of the institution while realizing responsibilities for conduct in accordance with the law, regulations of the College, observable social mores, and the rights of other citizens.

Any violation of the rights and responsibilities addressed above should be reported to the Vice President of Academic and Student Affairs. The following procedures will be followed in such cases.

1. The student must make a reasonable attempt to address the violation to the party in which they perceive compromised their student right. In cases involving a faculty member, the student should first speak directly with the faculty member.
2. If the student does not receive satisfaction, he/she can provide a written account of the student right infraction to the Vice President of Academic and Student Affairs. At this juncture, the college administrator will offer a resolution or refer the issue to a committee to review such issues.
3. Committee ruling will be final.

In situations involving strictly academic issues, refer to Student's Right to Appeal in the Academic Regulation section of this catalog.

## Visitors on Campus

As a community college, Southern State welcomes persons within the community to visit our campuses and take advantage of the opportunities and services that are available to them. The College has the authority to regulate the use of grounds, buildings, equipment, and facilities and the conduct of students, staff, faculty, and visitors to the campus so that law and order are maintained and the College may pursue its educational objectives and programs in an orderly manner. All visitors may be required to secure a visitor's pass according to Section 3345.21 of the Ohio Revised Code.

## Children on Campus

Southern State Community College encourages safe, supervised campus visitations by children for the purposes of making decisions about their academic future; educational, cultural, or sporting events and camps; and authorized use of facilities such as the Patriot Center.

- Pets or other well-controlled animals may be brought on campus for educational purposes or special events with the prior, written, approval by the Vice President of Academic and Student Affairs. All such animals must be kept under control. Under no circumstances may an officer of the College give approval to bring any animal on campus that would pose a safety or health risk to students, faculty or staff.
- Visually impaired or other handicapped people may be accompanied by a trained, service animal. Such service animals must have accompanying documentation verifying training and purpose.
- K9 units may be used by law enforcement or emergency personnel during an emergency. K9 units may be used for Police Academy and similar emergency personnel training.

## Weather and Emergency Policy

The following is the plan for closing campuses during inclement weather:

- If one campus is closed all day, all campuses will be closed.
- If one campus has a delayed opening, all campuses will have a delayed opening.  
CLARIFICATION OF DELAY - Example: If classes are on a 2-hour delay, your 8 a.m. class is cancelled. A class which would start before 10:00 a.m., and which would have 50% or more meeting time remaining after 10:00 a.m., will meet for the remainder of the class period (a 9:30 class which ends at 11:00 would begin meeting at 10:00 since more than 50% of the class period would be available).
- Delays may later be changed to closings. Therefore, check for updates of initial announcement before leaving home.
- If, after the start of classes, the weather becomes inclement during the day and the health and safety of the students and staff will be affected, the administration and campus directors have the authority to dismiss classes for the rest of the day on his/her campus only. The designated administrator or director will immediately notify all other campus locations.
- Faculty may, at their discretion, schedule a makeup class(es) or add extra assignments so that the course requirements will not be affected by the cancellation of the class(es).
- For individual alerts, please visit our website at [www.sccc.edu/students/alerts.shtml](http://www.sccc.edu/students/alerts.shtml)
