Admissions

Southern State Community College is a state-supported institution. As enrollment ceilings permit, the following individuals will be accepted for admission:

- Any graduate of an Ohio high school who is a resident of Ohio.
- Out-of-state students who have graduated from high school.
- Students who have not completed high school but have successfully completed the General Education Development Test for high school equivalency. Applicants may demonstrate evidence of high school equivalency by submitting a satisfactory score report on the General Education Development (GED) Test. Information concerning the GED is available at the College or from the State Department of Education.
- Students beyond the compulsory school age (18) without a high school diploma or GED will be accepted as part-time students (less than 12 credit hours) for their first semester. Upon successful passing of the first semester, the student will become eligible to take a full-time class load.

Admission to the College does not ensure admission to a specific course or program of study. Separate application must be made for the Nursing, Medical Assisting and Allied Health Programs. Refer to program information under the “Academic Programs” section of this catalog. The College reserves the right to deny admission to any course or program in which there is documentation to indicate that the student can not succeed with reasonable accommodation.

It is important for prospective nursing students, medical assisting students, or allied health students to know that a past felony or misdemeanor conviction may disqualify him/her from taking the state licensure and/or credentialing examinations. See the appropriate Program Director for more specific information.

The College offers non-credit developmental courses and regular course offerings that provide applicants the opportunity to prepare themselves further for the program of their choice. Students may discover their need for these courses through the Placement Assessment procedure.

It is recommended that beginning freshmen take either the American College Testing Program Examination (ACT) or the Scholastic Aptitude Test (SAT) of the College Entrance Examination Board for use in academic counseling. The Central and Brown County Campuses of Southern State Community College are ACT testing centers.

b. College Credit Plus Program

The purpose of the College Credit Plus (CCP) Program is to provide students in 7th grade through 12th grade who are intellectually and socially capable the opportunity to earn college and high school graduation credit through successful completion of college courses. Students may submit any state approved assessment score in place of the Placement Assessment. CCP students, or potential CCP students, may re-test one time per academic year.

2. Students enrolled at SSCC under the CCP program are not permitted to repeat courses and have those courses subsidized through the CCP program. It is the responsibility of the student not to attempt this repetition as payment for such repetition will not be presented to the state for reimbursement and could ultimately become the student's financial responsibility depending on the student's local school district policy.
3. Parents of students under 18 years of age need to be aware that all SSCC computers have free, unfettered access to the Internet. Southern State Community College computers do not use any type of filtering software.
4. The Family Educational Rights and Privacy Act (FERPA) applies to education records at all levels of education. At the point of becoming a Southern State student, FERPA rights become those of the student. A dependent student's information may be disclosed to the parent if the parent documents that they claim the student

as a dependent for income tax purposes. Under the rules of the College Credit Plus program, the College reserves the right to communicate student record information with appropriate official(s) of the home high school.

5. SSCC will assign all CCP students with an academic advisor after the first semester has begun. Students should see their academic advisor prior to registration of each semester.
6. College Credit Plus will not fund remedial courses in SSCC English 0099 or below, MATH 1106, 1116, 1118, or 1119. All SSCC students who wish to complete course work at other institutions and have credit for such course work accepted by Southern State should obtain appropriate approval from the Records Office prior to registering at another college.

Placement Assessment

Southern State Community College conducts placement assessments in Mathematics and English usage for students new to the College. The following policies have been established:

- **Degree-Seeking Students** - All new students with no prior college course work who intend to earn a degree or obtain a certificate are required to take the placement assessment.
- **Transfer Students** - Based on the results of an evaluation of transfer credits, new students with prior college course work in Mathematics and English may, upon request, be excused from taking the placement assessment.
- **Non-Degree Students** - All new students who wish to take courses but do not intend to work toward a degree or certificate may not be required to take the placement assessment. However, non-degree students wishing to take any Mathematics or English courses will be required to take the assessment before enrolling in those courses. Additionally, non-degree students who later decide to enter a degree/certificate program will be required to take the assessment.
- **Students with Disabilities** - If you require special accommodations for the placement test, please contact the Disability Coordinator at 937.393.3431 x2604.

Students may take the placement test twice during their first academic year (first test and one retest). During future academic years, students are limited to one retest per year. Students are encouraged to retest if:

- results from the first test indicate a need for developmental courses
- test results do not reflect student's prior learning

The higher score from either test will be used for placement. Students may not take the placement test after enrolling in a course or sequence that is developmental in nature (ex. ENGL. 0097, ENGL. 0099). Placement tests may not be used as a substitute for passing developmental course(s).
