

Education Pathway

Degree and Certificate Programs

Every year, many people earn their teaching degree and are poised to **make a difference** in the minds of future generations. According to the National Center for Education Information (NCEI) the number of teachers employed is expected to grow to nearly 4 million. You also may be surprised to learn how **competitive teaching salaries** are. Generous benefits and extensive vacation time also make getting a teaching degree even better. Sound like something you might be interested in? **Let's get started** on your Education pathway!
