Turnitin | Academic Integrity

As an instructor, you have the opportunity to utilize *Turnitin*. *Turnitin* provides instructors with the tools to help prevent plagiarism, engage students in the writing process, and provide personalized feedback. If you are interested in signing up, please send an email to itech@sscc.edu. You will receive an email on further instructions.

Turnitin is available inside MyELearn by adding the Turnitin external tool in your course. Contact itech@sscc.edu for more information.

Warning! *You should not share your enrollment key publicly outside of your institution. With a class identification and enrollment key, anyone at any institution will be able to join your class.*

Quality Matters | Professional Development Webinars

January 15, 2019 -- ***The Process toward QM Program Certification from a Faculty Perspective***: Join several faculty members from Metropolitan State University of Denver as they share their experiences in working to complete the QM Program Certification process. Learn how they went from being QM novices to zeroing in on completing the QM Program Review Candidacy for online program design.

Quality Matters also provides archives for their free Professional Development Webinars. To view archived webinars, please log into your SSCC QM account and follow this link: <https://www.qualitymatters.org/qa-resources/resource-center/articles-resources/qmss-archives>
