

ADJUNCT FACULTY HANDBOOK

Updated: October 31, 2018

Strategic Vision

<https://www.scc.edu/about/mission-vision.shtml>

The College's strategic vision represents a unifying guide toward fulfilling the College's mission and living its values. Collaboratively, a vision to be Your First-Choice College has been cast. To do this, the College will:

1. Be your best investment
2. Create synergy through partnerships and collaborations
3. Be a driving force in innovation and technology
4. Advance student success
5. Be the best place to work
6. Be a dynamic and flexible organization

Mission Statement

Southern State is committed to its mission to provide accessible, affordable and high quality education to people in southern Ohio. The College values honesty and integrity in all endeavors, tolerance for different ideas, respect for all individuals and excellence and creativity in the pursuit of knowledge.

Adjunct Faculty Committee

The Adjunct Faculty Committee is made up of full-time faculty, CORE adjunct faculty, and administrators. A voice for adjunct faculty within SSCC, the Committee strives to support their efforts.

The purpose of the Adjunct Faculty Committee is to provide support for adjuncts to maintain a forum for communication and promote the sharing of best practices through mentoring and professional development.

Adjunct/CCP Faculty Professional Development

During the Fall Symposium (the week prior to the beginning of the fall term) an Adjunct Faculty Professional Development event is held on Central Campus. Activities for the evening are centered around relevant sessions providing information and sharing best practices.

Attendance Policy (effective January 16, 2015)

Adjunct faculty must meet their classes as scheduled. Southern State Community College recognizes that adjuncts may on occasion, for a variety of reasons, be unable to meet a class. Illness, required business travel, or other unexpected conflicts are not uncommon. Southern State Community College requires continuity be maintained in all classes when possible and students receive the full measure of instruction associated with the credit hour value of their courses. Absenteeism can be damaging to the College's educational mission.

It is the responsibility of the instructor to contact the appropriate academic supervisor, as outlined in the adjunct handbook, should a planned or unforeseen circumstance arise causing the instructor to cancel the class.

Any absence must be discussed with the academic supervisor, who will assist in providing coverage by a substitute instructor or by determining acceptable outside assignments so that learning will continue (i.e., library assignment, view video, or computer assignment).

An appropriate official must approve any individual who will substitute for an adjunct faculty member so that person is properly recognized as an agent of Southern State Community College. Liability considerations require that this step be taken.

Procedure

The correctional procedure for a class that meets **twice or more a week** is as follows:

- 3rd** absence during a semester – Counseling with dean or director with documentation
- 4th** absence during a semester – Reduction in hours to be taught following semester
- 5th** absence during a semester – Instructor will be replaced and termination of contract

The correctional procedure for a class that meets **once a week or less** is as follows:

- 2nd** absence during a semester –Counseling with dean or director with documentation
- 3rd** absence during a semester –Reduction in hours to be taught following semester
- 4th** absence during a semester – Instructor will be replaced and termination of contract

Class Lists

The class list(s) for your courses will be in your mailbox. If you are teaching on more than one campus, check mailboxes at each campus. The opening class procedure is this: on the first day of class, indicate on the class list students who do not attend; add the names of students who attend your class, but are not on the class list. Early in the semester, usually the second Tuesday of class, these lists need to be returned to the Records Office so that official records can be corrected. If you have space in your class, you may add someone from the wait list. Students eligible to receive financial aid must have attendance documented on the class lists before monies will be awarded.

Classroom Emergency Preparedness and Response Information

As you begin your term, be sure to familiarize yourself with the College's safety and security policies and procedures.

- In each classroom you will find an emergency phone. **In case of an emergency, dial 911** on the classroom phone if at all possible. If you feel threatened in some way or need to alert others of a **distressing situation, dial 111** on the phone
- Emergency Exit Plans are located in each room. These show routes in case of fire or tornado
- There is a police presence on every campus each evening beginning at 5:00 p.m. til close
- Please report all suspicious behavior to the Campus Dean

Classroom Equipment

The College provides equipment to encourage classroom participation in various classes that use PowerPoint presentations. Most classrooms are furnished with Extron systems providing built-in projection capabilities. If scheduled in a room with no built-in system, requests for mobile projection carts can be made through the library. Keep in mind that this equipment is assigned on a first-come, first-served basis.

College Credit Plus Program

The College Credit Plus (CCP) program is designed to provide high school students an opportunity to earn college and high school graduation credit at the same time. These students are expected and required to perform at the same level as all college students. CCP students are subject to the same policies and procedures, academic practices, and grading standards as all other SSCC students. CCP students are not identified on class lists and should not be identified in classroom situations.

Computer Access and/or Email Account Request

All computer account setups for access to SSCC computers and email, will be taken care of during the hiring process through HR.

Computer Availability and Responsible Use

Each campus has computers available for student use; established guidelines for use must be followed. Those who violate college policies may be denied access to college computing resources and subject to other disciplinary actions.

The College makes every reasonable attempt to protect the privacy of user accounts, but users need to be aware of the fact that the College cannot guarantee security. It is the user's responsibility to engage in "safe computing" practices.

CORE Adjunct Faculty

The CORE Adjunct Faculty is voted upon by the Adjunct Faculty Committee as a means of recognizing outstanding adjuncts for their commitment to academic excellence. By a nomination from a full-time faculty member, the Committee votes on approval of the nominee based on the following criteria: the individual must have at least five years of teaching experience at SSCC or a terminal degree; routinely assigned to teach two or more classes per semester; and possess academic credentials, qualifications, and program leadership. Once approved, CORE Adjunct Faculty are invited to serve on the Adjunct Faculty Committee.

Disability Services

SSCC is committed to assuring equality of both opportunity and participation for persons with disabilities. The Americans with Disabilities Act (ADA) defines disability as a physical or mental impairment that substantially limits one or more major life activities such as walking, seeing, hearing, working or learning. It further defines a person with a disability as having a physical or mental impairment, a record of such impairment and/or someone that is regarded as having such impairment.

In addition to visible disabilities, such as the need for wheelchairs or sign language, this definition includes invisible disabilities as well. Some of these are learning disabilities, psychological disorders and chronic illnesses.

Persons requesting reasonable adjustments for disabilities must self-identify to be granted protection under Section 504 of the Americans with Disabilities Act. They must register and meet with the coordinator of the Office of Disabilities Services, as well as provide current documentation detailing the type and extent of the disability. All information is held in confidence in adherence with SSCC policies.

As faculty, you cannot ask a student if he/she has a disability and you cannot suggest that a student contacts the Disability office, but you should inform students on the first day of class of the service that is available.

Early Warning Notification

If there is a student on your class list who has not attended or has missed several days, please notify the Student Success Center at studentsuccess@sscc.edu.

Emergency Closing Procedures

The following is the plan for closing campuses during inclement weather.

- If one campus is closed all day, all campuses will be closed
- If one campus has a delayed opening, all campuses will have a delayed opening
CLARIFICATION ON DELAY – If the College is on a two-hour delay and does not open until 10:00 a.m., any class that is scheduled to start before 10:00 a.m. but more than 50% of that class time is after 10:00 a.m., then the class should meet. For example:
 - A class that runs from 9:00 a.m. to 11:15 a.m. WOULD meet when school starts up at 10:00 a.m. [since more than 50% of the class time (or 1 hr 15 mins) is after 10:00]
 - A class that runs from 9:00 a.m. to 10:15 a.m. would NOT meet [since only 15 minutes of the class time is left after 10:00]
- Delays may later be changed to closings. Therefore, check for updates of the initial announcement before leaving home
- If, after the start of classes, the weather becomes inclement during the day and health and safety of the students and staff will be affected, the Vice President of Business and Finance of the College and the Campus Deans have the authority to dismiss classes for the rest of the day on his/her campus only. The Vice President of Business and Finance or Dean will immediately notify all other campus locations
- Faculty may, at their discretion, schedule makeup class(es) or add extra assignments so that the course requirements will not be affected by the cancellation of the class(es)
- When final exams are cancelled due to inclement weather, the instructor will notify students of a rescheduled exam date
- To receive alerts of campus emergencies, closures or delays via email, text and voice message, sign up for [SSCC Alerts](#).

NOTE: In the event there is any doubt whether the College is open or closed, and the weather is inclement in a particular location, individuals should use good judgment to ensure their health and safety.

A decision to close the College will be based upon the threat to the health and safety of students and staff. The College is in communication with local districts and governmental agencies for advice.

Final Exams/Projects

Instructors must schedule a final exam or project due during finals week for each semester and make arrangements for students to pick up completed work after grades are submitted. Faculty secretaries are able to assist you in getting materials back to the students. No material can be left unattended to be picked up because of Family Educational Rights and Privacy Act (FERPA) requirements.

Grades

Effective Fall Semester 2016: (1) A mid-term grade is required for ALL students enrolled in a full semester course (passing and non-passing); (2) Grades (mid-term and final) will be required to be submitted online through the MyRecords portal.

Web Grade Input Instructions:

1. Log into the 'MyRecords' Portal on the 'MySSCC' web page. Your user name and password will be the same as used for your SSCC email account and MyElearn. If you need assistance in logging into MyRecords you will need to contact techsupport@sscc.edu.
2. Select the 'Faculty' tab at the top of the page.
3. Under 'Course Control' there will be a list of your courses for the active term. If you are attempting to post grades for a term that is not coded active, you will need to select the term you are posting grades for. Remember that summer term is the previous academic year's term (e.g. Summer 2015 is under the Summer 2014-2015 academic year).
4. When you select your course there will be a drop down box next to the course that reads, 'Go Directly To.' Select 'Grade Entry' in this drop down box to enter midterm or final grades for that specific course.
5. The grade entry screen will only allow for midterm grade entry at midterm and final grade entry at the end of the term.
 - Midterm Grade Entry: Enter a midterm grade for all students. Report last date of attendance for any student reported with a non-passing grade (F, Y, N, U, I, WI, or Withdrawal)
 - Final Grade Entry: Enter a final grade for all students. Report last date of attendance for any student with a non-passing grade (F, Y, U, N, I, WI, or Withdrawal)

Note: If a course appears as "historied" and you cannot enter last date of attendance, please email the student name, course and last date of attendance directly to the Records Office.
6. Click 'Save' at the bottom of the screen.
7. Return to Faculty tab and continue the same process if you have more than one course to enter grades for.

The system of grading used at SSCC does not include plus or minus, only a letter grade. The college catalog includes a full description of grades, but the basics are: A = 90-100; B = 80-89; C = 70-79; D = 60-69; F = 0-59. An “I” grade, for incomplete, is given when a student is unable to complete the course requirements by the end of the semester for reasons that are acceptable to the instructor. The student must arrange to make up the missing work and have the grade changed within the following semester. If the instructor does not change the grade, it defaults to an F.

NOTE: On the grade sheets, the last date attended must be recorded for any student who receives a letter grade of F, WI, N, U, or Y.

Library

The Library provides a variety of resources to help you create an atmosphere of learning in your classroom. Some of these include:

- ***Library Workshops & Orientations***
With so many vast resources you may find need for a library representative to help introduce your students to research and other library services. These can include OPASS, OhioLINK, Zotero, research databases, research techniques, or any other library service that may be useful for your class assignments. Each orientation can be customized specifically for your course.
- ***Equipment Reservations***
The library has mobile laptop labs, clickers, digital cameras/camcorders and other equipment available for reservation. The reservations are on a first come first serve basis due to limited equipment. Reservations are made through the library and reservation forms are available at each library.
- ***Zotero***
A free, powerful, easy-to-use research tool that helps you gather, organize, and analyze sources and then share the results of your research in various citation styles (MLA and APA supported).
- ***LearningExpressLibrary***
LearningExpressLibrary easy-to-use online resources allow users to access skill-building resources including practice tests, exercises, skill-building courses, eBooks, and information you need to achieve the results you want—at school, at work, or in life. Resources support elementary through adult levels and many specializations including Nursing and Allied Health. Looking to land a job? You'll find an entire Learning Center dedicated to helping you get the one that's right for you, a resume builder and much more.

- ***Films on Demand***

Films On Demand is our web-based digital video delivery service that allows you to view streaming videos from Films Media Group anytime, anywhere, 24/7! Choose from thousands of high-quality educational titles in dozens of subject areas. Special features allow users the ability to organize and bookmark clips, create and share playlists, personalize folders, and manage their entire collection through a robust administrative reporting system. Films On Demand delivers outstanding digital video ideal for students, faculty, and public library patrons through online catalogs, distance-learning courses, and learning management systems.

If you have any questions about the resources available through the Library, please contact the Acting Director of Library Services, Angel Mootispaw, at x5681.

Payroll

All SSCC employees are required to enroll in direct deposit.

Report Incidents

All incidents should be reported using the online tool. You can access it at the following link: <https://publicdocs.maxient.com/incidentreport.php?SouthernStateCC>

Syllabus and Course Outline

- Distribute and review during the first class
- Utilize the master syllabus that has been approved by the Curriculum Committee. Include your course outline, evaluation and grading policies, and specific classroom policies
- Make expectations clear
- Send an electronic copy of your syllabus to the faculty secretary on your campus at the beginning of each semester

Textbooks

The textbook assigned is not optional; you are required to use the textbook assigned for the class.

Travel Expense Reimbursement

The College will reimburse adjunct faculty members for travel expenses at the same rate as full-time employees. Transportation expenses incurred for mileage between campuses of the College in a personal vehicle are paid only when an employee is required to be on more than one campus in a day. This does not include commuting expenses.

Tutoring Services

Students who need assistance with their work for classes may take advantage of free tutoring, available on each campus. Tutoring sessions can be arranged by contacting the Student Success

Center on Central Campus or directing the students to visit the tutoring department webpage at www.sccc.edu/services/tutoring.shtml.

Waitlisted Students

A student who is waitlisted for a course is often someone who registered late for a class; they have been told that if/when a seat opens in the class they will automatically be registered for the class (in date order, according to when they registered) and sent a confirmation. It is important that they attend the first class meeting, but this does not guarantee them a place in the class – it merely indicates that they are still interested in a place, should one develop. If the adjunct permits a waitlisted student to remain in the class, it is the student's responsibility to have a drop/add form signed by the adjunct and take it to the office.

EDUCATIONAL BENEFITS

Taken from the SSCC Policy & Procedures Manual under section 10.8.D, page 131:

“Contingent faculty members and their spouses may attend classes at the College without payment of tuition under the conditions below. Contingent faculty members’ dependent children under the age of twenty-four (24) and living with a contingent faculty member may attend classes at the College without payment of tuition under the following conditions:

1. Contingent faculty members have taught a minimum of 40 credit hours.
2. Contingent faculty members have taught at least one semester or a minimum of six credit hours in the previous academic year.
3. Contingent faculty members are in good standing with the College and are eligible to be hired to teach classes in future academic terms.
4. Contingent faculty members may enroll if it does not conflict with their normal working hours or with their ability to perform their duties at the College.
5. Contingent faculty members, their spouses and children are responsible for paying the course fee charged to the College by the provider of non-credit or online distance courses. The usual College mark-up will not be charged.
6. Contingent faculty members, their spouses and children will be responsible for paying the course fees including the cost of a physical examination for the Truck Driving Academy.
7. Should at any point contingent faculty members fail to continue to meet these criteria all educational benefits will cease until such time the criteria are once again met.”
