Members are encouraged to always obtain prior approval when using Non-network providers. Precertification will help avoid any unnecessary reduction in benefits for non-covered or non-medically necessary services.

Pre-Existing Exclusion Period:

We will not provide benefits for services, supplies, or charges over \$1,000 for any pre-existing condition for the time period specified below (subject to HIPAA portability requirements):

Pregnancy and domestic violence are not considered a pre-existing condition. Genetic information may not be used as a condition in the absence of a diagnosis.
