

Online scholarships at **Southern State**

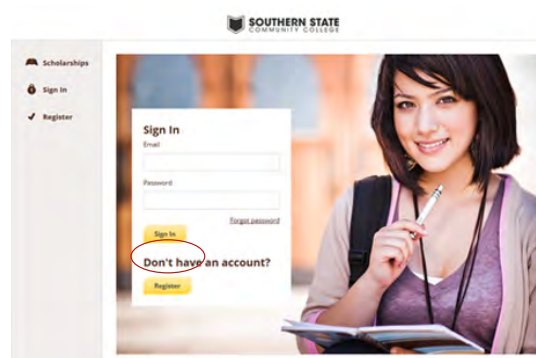

The general scholarship application at Southern State is now **paperless**. That's right! Students can now **apply for multiple scholarships** at one convenient time, all with the simple **click of a mouse** - it's that easy.

Applying for scholarships ---- made easy! ➡

step

1 Create an account - Each student will need to go to southernstate.awardspring.com to register and create a user name and password to begin.

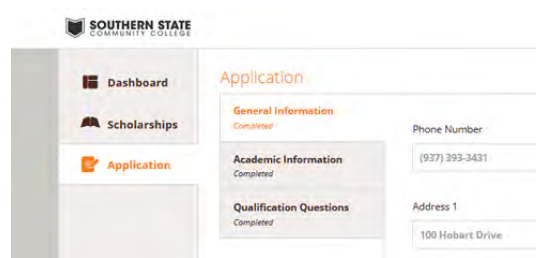

step

2 Start application - Students will be directed to the Dashboard page, showing any updates or items requiring completion. They may also view all available scholarships on the "Scholarships" tab. The yellow "Start Application" button will direct them to the Application.

step

3 Complete application - There are three sections of the application that will need to be completed.

Section 1: General Information

Section 2: Academic information. The application process requires validation of the student's high school or college experience. Their most recent transcript will need to be updated, whether it is from high school or college. The student will also need to upload their Letter of Recommendation in this section.

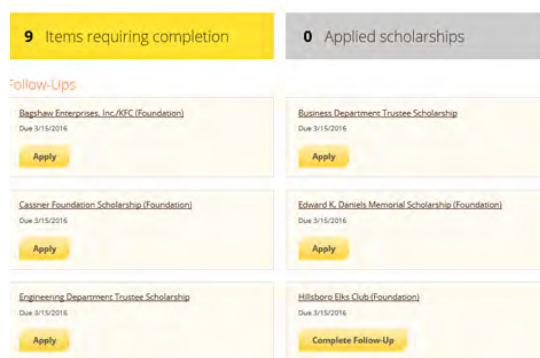

Section 3: Qualification questions. Students must complete a series of questions designed to match them with various scholarships.

step

4 Submit Application - Once all sections of the application are complete, the student will click on the yellow "Submit Application" button. They will be directed back to the Dashboard page.

step

5 Select scholarships and APPLY - The Dashboard page lists all of the scholarships the student applying will be eligible for based off of the information that was provided. The students will need to select "Apply" in order to apply for the scholarship(s) that they want. There may also be a button that says "Complete Follow-up", as some scholarships require further details or a short essay response in order to submit.

Our annual priority deadline is March 15.
