SELECTIVE SERVICE REGISTRATION

In accordance with Section 189(h) of the Workforce Investment Act, which states that the U.S. Secretary of Labor shall insure that each individual participating in any program established under this Act, has not violated Section 3 of the Military Selective Service Act (50 U.S.C. App. 453) by not presenting and submitting to registration as required pursuant to such section.

WHO MUST REGISTER

Almost all male U.S. Citizens and male aliens living in the U.S., who are ages 18 through 25, are required to register with Selective Service. It is important to know that even though he is registered, a man will not automatically be inducted into the military. In a crisis requiring a draft, men would be called in sequence determined by random lottery number and year of birth. Then, they would be examined for mental, physical, and moral fitness by the military before being deferred or exempted from military service or inducted into the Armed Forces.

The U.S. Department of Education and the State of Ohio require that all eligible male students must be registered for the Selective Service. If the student fails to register, there can be no federal financial aid available to the student and the State of Ohio will require the College to charge the unregistered student out-of-state tuition, which is about double of the tuition of an in-state student.

For this reason, if you have not registered for selective service and you are a male student between the ages of 18 and 25, you can give us permission to make a correction to your FAFSA to allow the Department of Education to register you with the Selective Service. If you are not 18, but will be during the current school year, you can give us permission to correct the FAFSA to allow the Department of Education to register you upon your 18th birthday.

Check the correct statement below and return to the Financial Aid Office:

___ I give the SSCC Financial Aid Office permission to correct my FAFSA to have the Department of Education register me for Selective Service.

___ I am registered for selective service and my number is _____.

___ I am over the age of 25 and never registered for selective service as required of all male individuals when I was between the ages of 18 and 25.

Please give a brief statement as to the reason as to why you did not register for selective service: _____

I certify that the above information is true and correct and realize that false information may cause a financial penalty.
