

We have received the results of your 2019-2020 FAFSA. You reported on the FAFSA that you either have or will have a bachelor's degree (completion of 4-year degree) prior to July 1, 2019 or you are working on a degree beyond a bachelor's degree.

Federal financial aid regulation requirements are that when a student has obtained their 1st bachelor's degree, they are no longer eligible for any Federal Grants or Subsidized Loans. At that point the student can only borrow federal dollars through the interest bearing Unsubsidized Loan program.

Please complete the information below and return it to our office so that we can correct your FAFSA if you answered the degree questions incorrectly.
