

Your Federal Student Aid Application has been flagged indicating an unusual enrollment history. A student is **NOT PERMITTED** to receive federal financial aid at two or more institutions during the same term unless there is an official Consortium Agreement initiated by the degree granting institution. Please list below the names of the institutions that you have previously attended other than Southern State and the term and year of attendance at each institution.

Failure to report all institutions attended and submission of transcripts or grade reports to SSCC may result in forfeiture of any further federal financial aid.
