# About the Scholarship

### What is Financial Literacy?

NCB partnered with the award winning *EverFi*<sup>TM</sup> – *Financial Literacy* technology platform to provide area schools and students with access to a cutting-edge cirriculum that will enable them to become certified in Financial Literacy. This web-based program uses the latest in new media technology – simulations, avatars, gaming and adaptive-pathing – to bring complex financial concepts to life for today's digital generation. Through NCB's program, students have become certified in topics in personal finance, allowing them to become more informed, responsible citizens.

### What We're Offering

NCB will be offering one \$1,000 scholarship at each school participating in the program for the benefit of a student. Current schools participating in the program are Fairfield, Fayetteville, Hillsboro, Hillsboro Christian Academy, Whiteoak and Lynchburg-Clay.

> Through the NCB Money Matters Scholarship, NCB is pleased to make an investment in Highland and Brown County by helping young people further their education.
