Our values

PATIENT-CENTERED

Delivering compassionate, patient-centered, and exceptional comprehensive care is at the heart of what we do every day.

PHYSICIAN-LED

Physicians are integral leaders in our organization, drive operational decisions, and maintain clinical autonomy.

EASY ACCESS & AFFORDABILITY

Our business model allows more patients to receive highly advanced, affordable and accessible orthopedic care in the regions we serve.

QUALITY EXPERIENCE

We champion integrity, trust and respect for each other and those we serve.

VALUE

We invest in the development of both our clinical and administrative teams and collaborate together in carrying out our mission.
