

# How to Locate and Complete the Life Event Declaration (LED) Form

## 1. Log into MyEconnect

a. Locate the “Forms” Section by either clicking on the  icon located in the blue section at the top of your screen.

2. Under the Benefits header, locate the “Life Event Declaration” form. When you click on the document, it will open a pop-up.

Use the [Calendar icon](#) to enter the date of the event. For example, if you are submitting the form for the birth of a child, enter the date the child was born.

Life Event Declaration

Howland, Crystal  
Status: Active Employee Number: 170736

Life Event Information

Use this form to declare a life event. Select the date for the life event and specify the type. Both fields are required.

Event Date\* 2/15/2021 

Life Event\* Select an Option...

Supporting Documents

Please attach additional details if desired.

You will not be able to submit necessary verification documents through this form. Those documents need to be either emailed to the Coordinator of Employee Benefits & Compensation or dropped off in person.

There is no valid document type for this user.

Comment

Add comment to the employee's file.

Save Draft Submit Cancel Print

Enter any additional information here or it can be left blank.

In the dropdown for [Life Event](#), select the specific qualifying event that prompted you to make the change.

Double check your information. Once you are sure the information is correct, click [“Submit”](#). The form will be sent to HR for processing. If you do not click submit, the form will not get delivered or processed.

When received, the Coordinator of Employee Benefits & Compensation (or a member of HR) will email you to provide a list of any necessary documentation needed to finish processing. Failure to submit requested documentation can result in the denial of the LED.

Once documents are received and the review is complete, you will receive an email to confirm approval or denial of the LED. If denied, a reason will be provided. If approved, you will receive instruction for next steps.
