

2023 Medicare & Social Security Webinars

Please join HORAN for an informative seminar on learning more about Medicare and Social Security. Seminar topics that will be covered include:

Medicare – Parts A, B, C and D, Advantage vs. Supplement plans, when to apply, associated costs, and Health Savings Accounts (HSA).

Social Security – Estimate calculation, when to apply, different collection strategies, non-covered workers, and taxes.

Introducing the Presenters

Michael L. Hermes, CFP[®], CFA

Vice President, Wealth Advisor, HORAN Wealth Management

Michael Hermes is a comprehensive financial professional who strives to help families and individuals work towards their goals through holistic financial planning. He has in-depth expertise of Social Security benefits.

Nate Epp

Account Executive, Individual Health & Medicare

Nate Epp provides education and expert analysis on Medicare benefits to help clients understand and determine which insurance plan is best-suited for their specific health care needs.
