NEW CAMPUS

Ground-breaking on SSCC's newest campus near Mt. Orab in Brown County is scheduled for June 2013. BHDP Architecture is in the process of completing the schematic design phase and the required review by the State Architect's office. Although the facility retains all of the elements from the program design and key room adjacencies, the final schematic design is a two-story facility.

A total of 596 students applied for degrees or certificates as part of the largest graduating class in the college's history!
