sophomore? 3.0 GPA? A/B average in a subject?

PEER TUTORS NEEDED

Are you a faculty member? Recommend your stellar students for paid positions as peer tutors. A student? Recommend yourself! SSCC's Tutoring Center provides free services and resources. Click here to learn more.

WHAT'S GOING ON

Interested in seeing just what we do in the REED SIMULATION LAB?

We're having an in-house OPEN HOUSE THURSDAY, JULY 25 @ 11-2 ROOM 183 ON CENTRAL CAMPUS

Southern State staff and faculty are invited to see demonstrations of the Reed Simulation Lab. There is no charge for this informational session, and all educational expenses will be reimbursed to the Reed Simulation Lab.

See you there!

Bruce Fogarty, SSCC Wiring Faculty, 04310
Michelle Facy, SSCC Simulation/Lab Specialist, x2860

REED SIMULATION LAB IN-HOUSE OPEN HOUSE

Stop in 11-2 on July 25 for mannequin demos.
