SSCC Power in Purple Day

Wednesday, October 19, 2022

Wear your purple or pick up a ribbon in the HR Lobby or Central Campus Main Lobby (available Monday 10/10). Help us spread awareness and show our support for the victims and survivors of domestic violence.

Also, please share this information with anyone you believe may need it. Reminded them they are not alone, it is NOT their fault, and that help is available.
